## City of Lake Mary

*Incorporated in 1973*

July 25, 2019

Mayor and Commissioners,

In accordance with State law and the City Charter, I am pleased to transmit the *City of Lake Mary Fiscal Year 2020 Proposed Budget* for your consideration and review. As presented, the FY 2020 budget totals \$36,952,722, representing a 3.04% increase over the prior fiscal year. The included proposed millage rate of 3.5895 mills remains unchanged and the lowest total municipal rate in Seminole County.

### **Budget Outlook**

Over the past fiscal year, construction activity within the City has maintained a similar pace to the past several years. A number of large projects are nearing completion, including Griffin Farm at Midtown, Lake Emma Sound, and Phase 1 of the Orlando Health Medical Campus. While those developments may be concluding, new construction activity will continue due to projects such as New Century PUD/Lake Mary Wellness and Technology Park, TopGolf, and the Edison Phase 2 office complex. Further, redevelopment in the Downtown will continue as well with the mixed-use Dwell at Lake Mary project and new projects on N. 4<sup>th</sup> St. and W. Crystal Lake Ave.

For FY 2020, taxable values in the City are projected to increase 9.18% over the prior year. This is due in part to the City maintaining its ability to attract community based businesses and large corporations, as well as new residential neighborhoods. And, while green-field buildout is approaching over the next several years, proper planning and strategic initiatives will turn the focus to redevelopment and business expansion, ensuring the City's economic health in the years to come and maintaining our place in the top rankings of great communities to operate a business, and live and raise a family.

Accordingly, this budget strives to provide for the highest quality government services possible to facilitate the continuation and enhancement of our community's extraordinary quality of life and economic opportunities, while remaining steadfast in our adherence to an equal level of fiscal responsibility in the provision of those services.

# BUDGET MESSAGE

## Budget Highlights

- The proposed FY 2020 budget, totaling \$36,952,722 for all funds combined, is \$1,091,746, or 3.04%, more than the FY 2019 budget. The majority of this increase is attributable to funding for the bi-annual road resurfacing project in FY 2020.
- The FY 2020 proposed millage rate of 3.5895 remains unchanged for the seventh consecutive year. This millage rate, the lowest total municipal rate in Seminole County, represents less than a quarter of a Lake Mary taxpayer's total property tax bill.
- Ad valorem taxable values, as provided by the Seminole County Property Appraiser, are projected to increase 9.18% for FY 2020. At the proposed millage rate, this increase yields \$758,622 more ad valorem revenue than the prior year.
- General Fund revenues, exclusive of ad valorem revenues, are projected to increase conservatively in FY 2020, due in part to recent economic conditions. After the period of economic decline in the late 2000s/early 2010s, the U.S. economy (GDP) has grown steadily since mid-2014, although below the average of historical recoveries. Additionally, recent economic activity has been hampered by rising interest rates and the threat of global trade wars.

## Budget in Brief

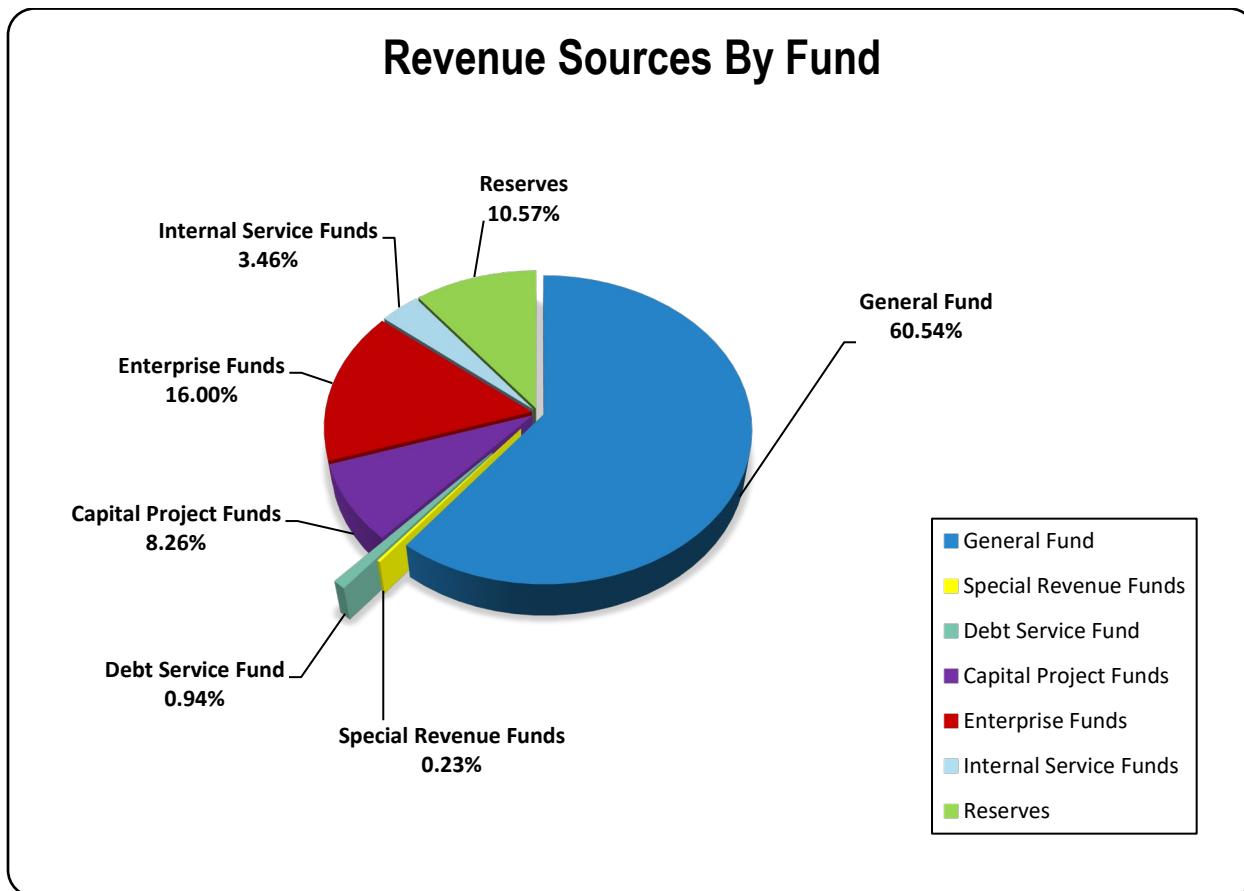

Figure 1 – Total Sources \$36,952,722

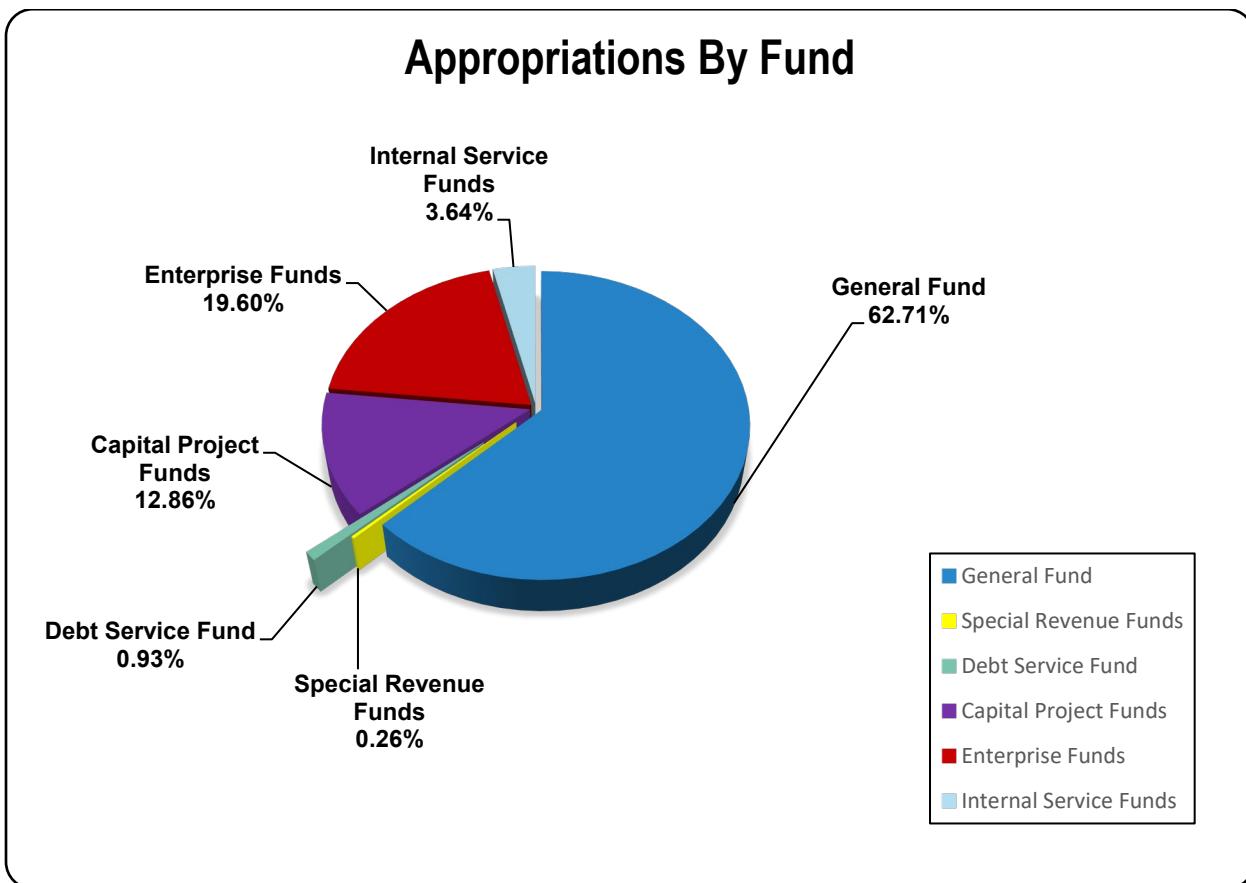

Figure 2 – Total Appropriations \$36,952,722

### Debt Service

Outstanding principal on the Series 2012 Public Improvement Refunding Revenue Note is currently \$2,663,000. Related Debt service for FY 2020 is \$345,033. The interest rate on this note is 2.93% and the final payment is due on October 1, 2027.

### Capital Projects

- Appropriations for FY 2020 General Fund capital projects total \$820,340 and consist primarily of IT upgrades and capital improvements on our municipal facilities. Also included herein is funding of \$121,000 for the General Administrative Projects Reserve, to proactively facilitate the repair/replacement of roofs and HVAC systems, as warranted.
- Capital carry forward projects in the General Fund total \$106,000 for FY 2020, comprised primarily of funding for replacement of the aging trellises at the Events Center.
- Our bi-annual road resurfacing project is scheduled for FY 2020. Funding in the amount of \$1,500,000 is appropriated, accordingly, from the one-cent sales tax program.
- The Rinehart Road Improvement Project began in FY 2019 and continues in FY 2020, funded jointly by the City and Seminole County through the one-cent sales tax program. The total project allocation is \$5.3 million. Portions of this project's costs will also be reimbursed by FDOT. Improvements include a new traffic signal at Woodbridge Lakes Way,

# BUDGET MESSAGE

lengthening of the right turn lane into Crystal Lakes Elementary School, and various additional transportation improvements along the Rinehart corridor, as new associated development warrants.

- The Water Main Extension Project, funded in the Water & Sewer Fund, will provide system improvements (“loop”) to the water distribution system in two areas: 1) the South end of the City between S. Country Club Road and Longwood/Lake Mary Road, and 2) Rinehart Road at the northwest corner of The Forest community.

## Personnel

The City's goal for its employee pay and benefit program is to attract and retain top talent, in part by staying competitive with our peer cities and other relative competitors. Accordingly, the proposed FY 2020 budget includes funding of \$225,000 to assess and implement, as warranted, salary survey-related pay adjustments affecting public safety and other positions. Also included herein is funding for performance-based merit increases of up to 3% per employee through the annual evaluation process and continued funding for our employee recognition program. The proposed budget also provides for the addition of one (1) new Police Officer in FY 2020.

## Employee Benefits

The City pays a single premium per employee for health insurance (based on the plan selected). Due to the system-wide rise of healthcare costs and the City's unusually high recent claims experience, our health insurance premiums are increasing 9.7% for FY 2020. Efforts continue to contain these costs through various means such as employee education, wellness programs, and cost sharing. Dental, long-term disability, and life insurance costs remain stable in FY 2020.

## Vehicle Replacement Fund

The Vehicle Replacement Fund currently serves a fleet of 167 vehicles and large motorized equipment. Each year, the proposed vehicle replacement schedule is scrutinized for not only age or miles, but overall condition and projected reliability as well. Accordingly, seventeen (17) items are scheduled for replacement in FY 2020. The items include seven (7) Police vehicles, one (1) speed trailer, one (1) light trailer, one (1) Fire rescue unit, two (2) Fire personnel vehicles, two (2) Building personnel vehicles, two (2) Park personnel vehicles, and one (1) Support Services personnel vehicle.

## Budget Calendar

A Commission Workshop to review and consider the Fiscal Year 2020 Proposed Budget is scheduled for July 25, 2019 at 5:00 PM, with additional meetings to be added as the Commission deems warranted.

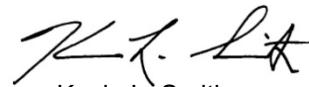

Subsequently, in accordance with Florida TRIM law, a tentative millage rate is required to be adopted by August 4, 2019. Thus, consideration of a tentative millage rate for adoption by the Commission is included on the July 25, 2019 regular Commission meeting agenda. This item includes my recommendation that the Commission establish a proposed millage rate for FY 2020

# BUDGET MESSAGE

of 3.5895 mills (unchanged from FY 2019), set the rolled-back rate at 3.3909 mills, and schedule the first public hearing for adoption of the FY 2020 budget for September 5, 2019, at 7:00 PM in the Commission Chambers.

## Acknowledgments

The budget process and this resulting document could not have been completed without the support of the Mayor and Commission and the diligent and cooperative efforts of our Department Directors and staff. Our team is dedicated to providing cost-effective, efficient, innovative services to our community, and do so in an exceptional manner. They are simply the best at what they do and I would like to personally convey my heartfelt thanks to our entire team for their on-going daily efforts, as well as their cooperation and support throughout this budget process.

Kevin L. Smith  
City Manager

# MILLAGE AND TAXABLE VALUES

## Quick Facts

- Based on the preliminary taxable value estimate provided by the Seminole County Property Appraiser on June 21, 2019, ad valorem taxable values in the City rose to \$2.64 billion, up 9.18% from the prior year.
- The proposed millage rate of 3.5895 generates \$9,024,229 in budgeted ad valorem revenues for FY 2020.
- Each 1/10<sup>th</sup> of a mill generates \$251,406 in ad valorem tax revenue.

## Historical Perspective

	FY 15	FY 16	FY 17	FY 18	FY 19	Proposed FY 20
<b>Taxable Value (millions)</b>	\$ 1,855.7	\$ 1,982.6	\$ 2,093.4	\$ 2,262.4	\$ 2,423.9	\$ 2,646.3
<b>% Change in Taxable Value</b>	4.02%	6.84%	5.52%	8.07%	7.14%	9.18%
<b>New Construction Value (millions)</b>	\$ 23.41	\$ 66.33	\$ 38.89	\$ 32.60	\$ 34.95	\$ 87.5
<b>Millage Rate</b>	3.5895	3.5895	3.5895	3.5895	3.5895	3.5895
<b>Rolled-back Rate</b>	3.4747	3.4826	3.4658	3.3628	3.3373	3.3909
<b>Adjusted Rolled-back Rate</b>	5.0633	5.0832	5.0205	4.8955	4.7076	4.5125
<b>Majority Vote Maximum Rate</b>	5.2228	5.1828	5.2088	5.0478	4.7768	4.6655
<b>Two-thirds Vote Maximum Rate</b>	5.7451	5.7011	5.7297	5.5526	5.2545	5.1321
<b>Property Tax Revenue (millions)</b>	\$ 6.33	\$ 6.76	\$ 7.14	\$ 7.71	\$ 8.27	\$ 9.02

## Statutory (TRIM) Millage Rates

**Rolled-back Rate.** This rate provides the same property tax revenue as the prior year, plus tax revenue on new construction. For FY 2020, this rate is 3.3909 and would generate ad valorem revenue of \$8,524,935.

**Adjusted Rolled-back Rate.** This rate is used to calculate the new year Statutory Maximum Rate(s). It is derived from the prior year tax proceeds with the prior year Maximum Rate divided by the new year taxable value. For FY 2020, this rate is 4.5125 and would generate ad valorem revenue of \$11,344,708.

**Majority Vote Maximum Rate.** This rate incorporates the Adjusted Rolled-back Rate modified for the change in per capita Florida personal income, as reported each year by the Office of Economic and Demographic Research. This rate would require a majority vote to impose. For FY 2020, this rate is 4.6655 and would generate ad valorem revenues of \$11,729,360.

**Two-thirds Vote Maximum Rate.** This rate represents 110% of the Maximum Rate and requires a two-thirds (supermajority) vote to impose. For FY 2020, this rate is 5.1321 and would generate ad valorem revenues of \$12,902,421.

# CITY COMMISSION

## MISSION

To represent the citizens of Lake Mary in governing the City.

## GOALS

1. To establish policies compatible with Federal and State requirements and to make land development decisions consistent with the City of Lake Mary's Comprehensive Plan.
2. To be responsive and understanding to the problems and needs of Lake Mary citizens.
3. To represent the City before the State, County and other units of government in an effort to protect Lake Mary's interests.

# GENERAL ADMINISTRATION

## PROGRAM SUMMARY

To provide the funding for general services including audit, Employee Health Clinic, special projects, and other expenditures which are not reasonably allocable to other operating programs. Also includes costs associated with citywide memberships and economic incentives.

## GOALS

1. To provide for the operation and maintenance of the Employee Health Clinic.
2. To recognize citizens, organizations and employees from time to time through public acknowledgment.
3. To take advantage of the benefits provided by the City's memberships in various organizations which represent local government.
4. To support the City's various advisory boards and special events.
5. To provide funding for the day-to-day operations and maintenance of City Hall.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST

# RISK MANAGEMENT

## PROGRAM SUMMARY

This program provides for the operation of the City's Safety Program. The Safety Committee acts as the review board for incidents involving vehicle collisions, damage to City equipment, and job related injuries with a goal of prevention. This program also provides the funding for hepatitis immunizations, pre-employment examinations, FDLE background checks, and the Safety Incentive Program.

## GOALS

1. To reduce the number of accidents and injuries incurred by City employees through education, training and incentive programs.
2. To provide entry level physicals (Police and Fire) and background checks for all new employees.
3. To increase safety awareness via mandatory safety meetings/training and reading materials.
4. To provide representation on the PRM Board.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST

# COMMUNITY DEVELOPMENT

## PROGRAM SUMMARY

The Planning & Zoning Division manages all development processes within the City limits.

## GOALS

1. Development Review: To ensure timely advertisement, notification, review and staff critique of all Planning and Zoning Requests in accordance with the City of Lake Mary Code of Ordinances and the Comprehensive Plan. This shall also include proactive information sharing via the First Step Process and Online Development Dashboard.
2. GIS: Continue to improve upon and expand the City's online GIS presence to include interactive map tools for use by the general public. To also provide for training of non-GIS staff to use newly created GIS web apps and web tools for improved customer service delivery.
3. Web Presence: Provide up to date and relevant information on the City's website related to Planning and Zoning activities. This will include but not be limited to GIS maps as outlined above, fillable applications, process outlines, and current development projects.
4. Streamline Development Review: Continue to implement processes that allow for less paper to be utilized for all planning processes.
5. Refresh of the Downtown Master Plan.
6. Land Development Code Updates as needed.

# INFORMATION SYSTEMS

## PROGRAM SUMMARY

Information Technology provides technical support for all computers, laptops and networking equipment for the City government. Also, to maintain a quality infrastructure and deliver quality, prompt, and reliable technology services to the City employees.

## GOALS

1. Implementation of Microsoft SharePoint.
2. Make improvements to the secured management environment with proper monitoring, alerting notification identification and remediation tasks.
3. To provide technical support for all City information systems and computer hardware related network systems and operations, as well as provide an informative presence on the Web.
4. To suggest new technology strategies that meet the goals and needs of the City, develop policies and procedures relating to technology and train employees on their use.
5. To implement, develop, and enforce technology standards for all City departments.
6. To provide quality service to City employees through teamwork, partnership and individual strengths.

# FINANCE

## PROGRAM SUMMARY

This program is responsible for maintaining the City's financial accounting system that includes accounts payable and receivable, payroll processing, fixed assets, annual audit, procurement, and the preparation of all City financial reports. This department is also responsible for the development of the City's Annual Operating Budget and acts as a central collection point for all monies received from other City departments. In conjunction with the City's Water and Sewer Fund, the department also prepares utility bills and collects payments from its customers.

## GOALS

1. To provide service initiatives that offer convenience and transparency to our customers.
2. Continue to produce a Comprehensive Annual Financial Report (CAFR) that meets the GFOA "Certificate of Achievement for Excellence in Financial Reporting" criteria.
3. To provide quality financial information on a timely basis to maintain relevance and reliability.
4. Utilize technology to enhance organizational efficiency.
5. To provide continued training opportunities for staff.
6. Transition A/P checks to ACH.
7. Software system upgrades.
8. Review fleet maintenance charges.
9. To process invoice payments within 25 days of receipt date.

# BUILDING DIVISION

## PROGRAM SUMMARY

This program is responsible for review, critique, and processing all applications and plans for new construction, additions, and alterations to structures located within the City of Lake Mary. This includes inspections of the structural, electrical, plumbing, mechanical, and gas at various stages of construction in the above listed structures. Other programs provided are front desk assistance for all customers, document scanning, as well as full department coordination of project intake and the First Step Meetings.

## GOALS

1. Provide professional permit services to all parties wishing to construct within the City of Lake Mary.
2. Review all plans for compliance with State mandated minimum building codes and any other relevant required code minimums.
3. Provide for construction inspections to verify compliance with State mandated minimum building codes.
4. Maintain records of permitted activity, fees collected, plans reviewed and inspections performed utilizing the best methods available.
5. Create online permit review dashboard.
6. Training for online zoning and land use look-up.

# POLICE OPERATIONS

## PROGRAM SUMMARY

This program is responsible for all police services/operations including law enforcement, investigations, traffic enforcement, crime prevention and public education.

## GOALS

### **1. Commission for Florida Accreditation (CFA)**

Continuously adjust and update policies and procedures in order to accomplish a successful review by the Commission for Florida Accreditation. This will be the agency's 5th re-accreditation and will allow us to achieve "Excelsior" recognition as an agency. (Scheduled Summer 2020)

### **2. Preparing for Staffing Needs Based on City Growth and Development**

Plan for growth within the agency in response to the additional calls for service and traffic concerns that will arise from current and anticipated construction projects occurring throughout the City.

### **3. Training Requirements**

Continue to train all staff in high-liability areas as mandated by the state. Prepare training in-house or by external instruction to keep up with ongoing changes to Florida law.

### **4. School Safety**

Provide police staffing at all schools within the City according to state law. Public schools to be staffed by Lake Mary officers. Continue to work with SCSO and SCSB to complete annual contract agreements for public schools and plan for appropriate coverage for charter schools. Annual meeting/discussions with LM Prep school to discuss their staffing needs.

### **5. Succession Planning and Execution**

Prepare to recruit and promote as anticipated personnel retire or leave the agency. (8 sworn police personnel are eligible for retirement in 2019) Build upon reserve police officer unit.

### **6. Personal Safety Training and Officer Wellness**

Continue to prepare current training for interested City employees on contemporary concerns for personal safety and the importance of planning how to react/respond in a critical incident. (Community Relations Division) Consideration of implementing an officer wellness program.

### **7. Community Relations**

Continue community outreach by engaging in functions such as; coffee with a cop, homeowner association meetings, and citizen involvement organizations (Boy/Girl Scouts, religious organizations, Senior Intervention Group, etc.) and recruiting of a diversified Police force.

**City of Lake Mary, Florida  
Fiscal Year 2020 Personnel Request Form**

**Dep/Div Number: 321**

**Project Title: Additional Traffic Officer**

**Dep/Div Name: Police**

**Justification/Description/Location:**

We are requesting one (1) new police traffic officer for fiscal year 2020. One officer will be placed in the Special Operations section for traffic operations and aggressive driving enforcement. This officer will operate a traffic patrol vehicle and work all traffic related assignments. The officer will be available for emergencies/assignments as called upon. With new construction developments and road construction projects commencing, this position is vital in day to day operations. The officer will work a multipurpose function including traffic, aggressive driving concerns, radar, special events, school crossings, accidents and other assignments as directed.

**Impact on Personnel Costs:**

<b>Description</b>	<b>Code</b>	<b>Funding Source</b>	<b>New Cost</b>

<b>Total</b>			<b>\$ 87,090</b>

**Total New Personnel Costs** **\$ 151,775**

# SUPPORT SERVICES

## PROGRAM SUMMARY

This program provides records, property and evidence, and code enforcement support for the Police Department.

## GOALS

1. To provide face to face assistance for individuals coming into the police department requesting public information.
2. To provide fingerprinting services to the public.
3. To compile reports for State and National government (i.e. UCR, Hate Crime, etc.) and as needed for other police department business.
4. To support the City by gathering necessary background information for contract workers that need to gain access to our facility to complete projects.
5. To process and store agency reports, including arrests, criminal reports, radar calibrations, special operations, etc. in accordance with Florida Records Retention Laws.
6. To process requests for uniforms, equipment, and other operating items for the police department.
7. To maintain custody and storage of items being placed into evidence. This encompasses the collection, identification, lab analysis, preservation, storage, destruction and transfer of all items of evidence to other agencies.
8. To provide redacted body camera and in-car camera video for the media, attorneys or other public information requests.
9. Receive, investigate, and process complaints as they relate to reported violations of the City's Code of Ordinances; also initiate same.

# FIRE EMERGENCY OPERATIONS

## PROGRAM SUMMARY

The Lake Mary Fire Department (LMFD) provides our citizens with the highest quality fire suppression, emergency medical and rescue services. Our goal is to maintain the highest levels of professionalism, efficiency and unmatched services for our community. To obtain that goal, in 2017 we teamed up with Seminole State College, The Center for Public Safety Excellence, our City leadership team, and our community at large to develop a "Community-Driven Strategic Plan". It is intended to guide our organization with established parameters set forth by our leadership team. The planning horizon for the strategic plan is three (3) years. The goals and objectives that are implemented will be periodically reviewed and updated annually to ensure their completion. It will be modified as necessary for priority changes, budgetary constraints, and planning refinements and will consistently provide an overview of anticipated activities and requirements. The Emergency Operations Program budget is intended to provide for the personnel and logistical support necessary to provide a career fire department. This department operates out of two (2) stations, #37 on Wallace Court on the west side and #33 on East Crystal Lake Avenue in the downtown area. Both stations house an ALS Rescue/Transport unit and an ALS Engine Company. One Emergency Operations Division Battalion Chief oversees the daily operation of field units.

## GOALS

1. To provide an average 5-minute response 90% of the time, within the City.
2. To improve the overall health of our personnel through a systematic health and wellness program.
3. To improve our information management systems as well as our documentation practices through a rigorous and comprehensive quality assurance program.
4. Review and update our current comprehensive emergency management plan.
5. To be reevaluated by the Insurance Services Organization (ISO) and improve our rating.
6. To conduct, in January 2020, a three (3) year comprehensive community driven strategic plan.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST
Total alarms	4,337	4,994	15%	5,493

# FIRE PREVENTION

## PROGRAM SUMMARY

Fire Prevention provides a comprehensive fire and life safety compliance and education program for the entire Lake Mary community through inspections, plans review and public education. Annual inspections of all commercial, educational and multi-family structures in the City are conducted to ensure the minimum, state-mandated life safety requirements and City ordinances are satisfied. Pre-fire plan site visits are coordinated through fire prevention and completed by Operations personnel. Public education is provided to both the business and residential communities and covers a wide variety of programs such as fire and life safety, emergency planning and evacuation, station tours and CPR/First Responder. This program investigates all fires within the City limits for cause and determination and assists with Public Information and Emergency Management planning and response. In addition it reviews and processes all applications and plans for site development, new construction, additions, and alterations to structures located within the City and inspects the site, water supply, structural, electrical, mechanical, gas, life safety, fire detection and suppression systems at various stages of construction.

## GOALS

1. Complete 100% of annual maintenance inspections in all commercial and multi-family residential buildings within the City limits.
2. Increase delivery of Hands Only CPR program and other public education programs by 50% throughout the community by measured targeting of certain groups and occupancies.
3. Provide initial fire review of all applicable construction drawings within the targeted 10-day turnaround.
4. Complete all new construction inspections on day of request - no roll overs. Estimated to be 1,112 at close of FY 2019.
5. Increase social media presence with scheduled fire safety messaging in all areas.
6. Maintain Community Risk Assessment and Accreditation documents as required.
7. Conduct Open House/Public Safety event/Hero Fun Run for community.
8. Maintain a fire loss value below .005 through fire safety awareness. Fire loss value for 2018 was \$37,500 and equated to .0017 of the City's 2.4 billion of taxable value.

# PUBLIC WORKS ADMINISTRATION

## PROGRAM SUMMARY

This program ensures that all work done by Public Works personnel is performed in an efficient, safe and timely manner. Activities include managing the daily work effort of each function including streets, sidewalks, storm sewers, rights-of-way maintenance, fleet management, potable water treatment and distribution, wastewater collection, reclaimed water distribution, and surface water quality. This function includes the City Engineer and Assistant City Engineer, who are responsible for developer plan review and site inspections to ensure that all subdivision and site construction complies with the City's Code of Ordinances and any applicable Development Orders.

## GOALS

1. To provide the administration of resources and personnel for all Public Works initiatives serving the community and to respond to all citizen concerns related to Public Works. This includes the implementation of a new GIS based work order system.
2. Prepare a Class A CDL training initiative for Public Works Maintenance Specialists.
3. Prepare a heavy equipment operator training initiative for Public Works Maintenance Specialists.
4. Prepare a computer literacy training initiative for all Public Works employees.

# PUBLIC WORKS STREETS/SIDEWALKS

## PROGRAM SUMMARY

This program is responsible for establishing a systematic maintenance schedule for all paved streets within the City. Also, to maintain all sidewalks, signs and rights-of-way.

## GOALS

1. To make the City street system safe and convenient to use via a comprehensive maintenance system to include pavement repair and resurfacing, pavement restriping, and street sign maintenance.
2. To provide and maintain a functional network of sidewalks throughout the City.
3. To help maintain the aesthetics of the community by proper maintenance of public rights-of-way, including tree trimming and removal.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST

# PARKS & RECREATION

## PROGRAM SUMMARY

To enhance and enrich the quality of life and encourage healthy lifestyles for our community through superior parks, open spaces, facilities, trails and recreational opportunities. This will be accomplished through dedicated leadership, a commitment to excellence, and effective management of resources.

## GOALS

1. To provide a diverse mix of well organized and enjoyable recreation programs for the Lake Mary community, through both department run programs and partnerships with local recreation programmers.
2. To provide a variety of special event opportunities to the Lake Mary community that people enjoy attending and that local businesses and organizations want to support through sponsorships.
3. Maintain all parks and recreational facilities at their highest levels. Oversee the contractual maintenance of Lake Mary Boulevard, Rinehart Rd. Rinehart Trail, Municipal Complex, Crystal Lake Ave., SunRail Station and Seminole Ave. Continue to cross train staff for flexibility and succession within the department.

# FACILITIES MAINTENANCE

## PROGRAM SUMMARY

The Facilities Maintenance division is responsible for the maintenance of city owned buildings and structures. The service provided includes maintenance of air conditioning, heating & refrigeration, carpentry, electrical, painting, plumbing and miscellaneous repairs. In addition, this division oversees contracted services for janitorial cleaning/supplies, HVAC/control systems, elevator, generators, pest control, security/fire alarm systems, fire suppression systems, overhead door operations and miscellaneous vendor services.

## GOALS

1. Maintain the physical integrity of City buildings and facilities.
2. Work towards reducing the amount of energy used in buildings by installing energy efficient lighting and ballasts.
3. Continue high levels of customer service, productivity and efficiency.
4. Maximize financial efficiency and ensure contractual compliance.

5. Provide recordkeeping and reporting, monitor efficiency, and establish long range planning.

# EVENTS CENTER

## PROGRAM SUMMARY

The Lake Mary Events Center is the premier event venue in the heart of the City's downtown. This state of the art facility, located on West Crystal Lake, provides an ideal location for business meetings, conferences, weddings, receptions, banquets, ceremonies, parties and retreats for the citizens of Lake Mary and surrounding areas. The Center also includes an events lawn for outdoor activities.

## GOALS

1. To offer an inviting facility to meet the growing needs of our community for special events including weddings, receptions, parties, and other social gatherings.
2. To provide a state of the art facility to host meetings, conferences and retreats for local businesses.
3. To offer a venue to host City-sponsored events.

# COMMUNITY CENTER

## PROGRAM SUMMARY

The Lake Mary Community Center serves the community as a space for recreational programming, small private rental space, and meeting space for City Home Owner's Association meetings. The popular summer camp program is also run out of the facility, which features eight weeks of summer fun for 80 local children. The facility is also the main office for the recreation division and all customer service needs for recreation programs and park

## GOALS

1. To provide a diverse mix of well organized and well enjoyed recreational programming for the Lake Mary community, through both department run programs and partnerships with local recreation programmers, while aiming to achieve 100% cost recovery.
2. To provide affordable, high quality rental space for small private events, while aiming to achieve an 100% cost recovery.
3. To provide office/workspace for the recreation division to provide customer service to the City residents, guests, program participants, and customers of the parks and recreation

# SENIOR CENTER

## PROGRAM SUMMARY

To promote healthy aging, independence and well-being for adults 55 yrs. and older through health, wellness, and educational recreation programs and services.

## GOALS

1. To serve an aging population with social, recreational, active and healthy opportunities. This will be accomplished by continuing to offer and improve upon quality programs such as yoga, dance and aerobic activities for physical health while also complimenting with programs that meet our resident's social needs.
2. The Senior Center was reopened for evening and weekend rentals in 2017/18. The goal will be to continue to grow rentals while recovering 100% operating costs of the rental. This will be accomplished in part through greater marketing efforts in 2019.

# TENNIS CENTER

## PROGRAM SUMMARY

The Lake Mary Tennis Center serves the community as a premier tennis facility in Seminole County, and features seven Har-Tru clay soft courts. In addition to providing courts for member and guest self-organized play, the facility also coordinates a variety of programming for tennis players of all ages and skill levels. From a youth tennis program, to individual private lessons, the Lake Mary Tennis Center provides the community with a high quality tennis facility. The facility also serves as a satellite office for the recreation division, allowing a base of operations for all activities and programs at the Lake Mary Sports Complex.

## GOALS

1. To provide a quality tennis facility for the Tennis Center membership and daily guests, while aiming for an 80% cost recovery for the facility.
2. To provide well organized and enjoyed tennis programming, through both department run programs and programs delivered through contracted tennis professionals.
3. To provide an opportunity for the Lake Mary community to receive high quality tennis instruction from sanctioned tennis professionals.
4. Provide a well stocked proshop where members and guests can purchase light concessions and basic tennis equipment.

**Fiscal Year 2020 Personnel Request Form**

**Dep/Div Number: 321**

**Project Title: Additional Traffic Officer**

**Dep/Div Name: Police**

**Justification/Description/Location:**

We are requesting one (1) new police traffic officer for fiscal year 2020. One officer will be placed in the Special Operations section for traffic operations and aggressive driving enforcement. This officer will operate a traffic patrol vehicle and work all traffic related assignments. The officer will be available for emergencies/assignments as called upon. With new construction developments and road construction projects commencing, this position is vital in day to day operations. The officer will work a multipurpose function including traffic, aggressive driving concerns, radar, special events, school crossings, accidents and other assignments as directed.

**Impact on Personnel Costs:**

## **CAPITAL PROJECT FUNDS**

The Capital Projects Funds account for the acquisition or construction of capital facilities, equipment purchases, and general capital improvements, estimated to cost in excess of \$5,000, funded from General Fund transfers.

The One-Cent Infrastructure Sales Tax Fund accounts for City road construction projects funded by the use of the extra one cent sales tax approved by voter referendum. The 3rd Generation Sales Tax began January 1, 2015 for a period of ten (10) years.

**City of Lake Mary, Florida****Fiscal Year 2020 Capital Budget Proposal****Dep/Div Number: 213/436****Project Title: ERP Software Upgrade/Replacement****Dep/Div Name: Finance/Utility Billing****Justification/Description/Location:**

Since 1992 the City has been utilizing the same software for major operating purposes including Utility Billing, Accounting, Payroll, Business Tax Receipts and Building Permits. While there are annual updates and the software is still functional, the vendor has moved toward a web based platform and will not support the older version indefinitely. A newer software version would be more user friendly, windows and web compatible.

**Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 124**

**Project Title: Selecton IVR Upgrade**

**Dep/Div Name: Building**

**Justification/Description/Location:**

This is a multi-purpose server and software upgrade for the IVR system: 1. Virtual Server Upgrade, 2. Web Permits, 3. Relay Upgrade. 1. The current IVR server is over five years old and is a physical server; the upgrade will move it to a virtual server. 2. The Web Permits upgrade will allow for scheduling/review of inspections online. It will also allow for web tracking/review of all building permits. 3. The Relay Upgrade allows for the ability to administer, manager and review data at any time.

**Dep/Div Number: 215**

**Project Title: Timekeeping Software**

**Dep/Div Name: Information Systems**

**Justification/Description/Location:**

Increased accuracy of actual time worked. Reduction of payroll costs, eliminates time theft, makes payroll operations more efficient. Eliminates approximately 312 hours per year of the HR Specialist manpower hours for data entry, collection and corrections of timesheets, review of timesheets, printing time and costs. Tracks paid time off- reducing the manpower hours needed to submit a paper time-off request. Eliminates approximately 30 manpower hours per year of scanning timesheets for retention purposes. Cost savings of approximately 8,000 pieces of paper per year.

**Project Title: Laptop Replacement**

**Dep/Div Name: Police**

**Justification/Description/Location:**

Annual replacement of laptop computers used by officers in the field. This year, twelve (12) new laptop computers will replace the oldest or unusable units. Officers computers are used for report writing and traffic crash reporting. Additionally the computers are used to conduct record checks on vehicles, persons, articles, and criminal histories while in the field. Officers are now dispatched on their computers and watch information as it unfolds on other jurisdiction cases that may affect our response. The replacement plan will keep laptops at optimal working performance and was coordinated with IT.

Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 321**

**Project Title: Radio Replacement**

**Dep/Div Name: Police**

**Justification/Description/Location:**

**1)** Replace three (3) in-car radios in FY20 due to the age of radios and changeover by Motorola from the XTL model to the APX model. Motorola will no longer provide replacement parts/support for the XTL model. The radios decline due to age, heat, and normal wear and tear. The mobile radio is the lifeline for patrol officers during patrol duties. In-car radio cost is \$4,411 each.

**2)** Replace three (3) portable radios in FY20 due to age of radios and change over by Motorola from the XTL model to the APX model. Motorola will no longer provide replacement parts/support for the XTL model. Older radios may be used by reserve units or other established needs until no longer operational. Radio cost is \$4,694 each.

**Project Title: X Series Cardiac Monitor**

**Dep/Div Name: Fire**

**Justification/Description/Location:**

We are in need of purchasing an X Series Zoll Cardiac Monitor. This monitor is used frequently to help treat patients who may be facing a life threatening medical condition. Due to wear on components and upgrades in technology, it is recommended to replace frontline monitors every five (5) years. This purchase will replace a monitor that is greater than five (5) years old.

Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 432**

**Project Title: Sports Complex Parking Lot**

**Dep/Div Name: Streets/Sidewalks**

**Justification/Description/Location:**

The Lake Mary Sports Complex located at 550 Rantoul Lane includes nearly 50,000 square feet of concrete drive and parking aisles. The concrete was installed over 25 years ago and shows wear as in excessive cracking of the surface. To provide structural stability and to extend the life of the parking area a FDOT grade highway sealant is proposed to repair and seal the existing cracks and expansion joints. It is estimated that there are 12,000 linear feet of cracks and joints in the surface.

**City of Lake Mary, Florida  
Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 519**

**Project Title: Events Center Maintenance**

**Dep/Div Name: Facilities Maintenance**

**Justification/Description/Location:**

- 1) Replacement of trellis that includes full structure and aluminum components - (\$74,000)
- 2) The Events Center was built and opened in 2008. The carpet was replaced with wood look flooring throughout the facility, with the exception of the ballrooms, meeting rooms and administration area. The ballrooms and meeting rooms were replaced in 2013. The administration area is original. Due to high traffic in the ballrooms and meeting areas, in addition to general wear and tear in the administration portion, it is recommended that all of these areas be replaced in FY2020 - (\$42,000).
- 3) The purchase of a small single man lift, push type will allow LMEC staff to change bulbs on the interior and exterior of the facility as well as replace ceiling tiles and parking lot lights. This lift can be transported by City trucks and taken to other facilities for high reach jobs that cannot be accomplished by a ladder safely or our existing exterior lift. Currently the City rents a similar lift for various jobs and often due to rental cost and availability, we wait until several lights are out to replace - (\$10,000).

Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 595**

**Project Title: Tennis Center Improvements**

**Dep/Div Name: Parks & Recreation**

**Justification/Description/Location:**

1) A VPN is currently required for staff to connect virtually to the City network and phone/internet service is required from Spectrum at an annual cost of \$1,660. The VPN can also be unreliable and prevents the office from utilizing the scanning function on the copy machine. If approved, the annual service cost of \$1,660 for Spectrum internet/phone service can be removed from the Tennis Center operating budget, as all phone and internet would be moved onto the City network (\$15,000).

2) The five tennis court shade structures/benches at the Tennis Center have reached the end of their useful life and are showing age, with sections of the support structure showing severe rust/pitting. The wooden sections on the benches are worn and require extensive maintenance due to the outdoor elements. The shade structures/benches are original from the opening of the Tennis Center in 2001. Proposal to replace old shade structures with new more modern structures - (\$27,500).

**Justification/Description/Location:**

This is in place for the repair and/or replacement of A/C units and roofs for many of the City's facilities for which we cannot determine the timing. This reserve is only used at the City Manager's discretion and may require Commission approval. Examples include replacing roofs and A/C units. Replacement roofs at the Police Station, the Municipal Services Complex, the Events Center and the Trailhead Park building range from \$15,000 to \$280,000. Replacing the individual A/C units at City Hall, the Events Center, the Concession A/C at Sports Complex and Frank Evans Museum range from \$25,000 to \$70,000 each.

**Project Title: Street Resurfacing**

**Dep/Div Name: Streets/Sidewalks**

**Justification/Description/Location:**

Milling and resurfacing of asphalt streets to ensure they are maintained in a safe and structurally sound condition. In FY2020 all or portions of the following areas: Country Club Oaks, Crystal Ridge, Downtown, Evansdale, Lake Mary Woods, Meadow Brooke, Misty Oaks, and Springhurst will be resurfaced. Most paving is performed every other year as we have found there to be significant cost savings when bidding a larger scope of work. Additional money budgeted is in odd years to maintain existing cold mix paved roads or areas that need more immediate attention. Pavement network inspections by a consulting engineer are scheduled every two years.

## **WATER AND SEWER FUND**

The Water and Sewer Fund accounts for all financial activity associated with the operation of the City's water and sewer system. Designed to be self-supporting, all costs of providing services to the users of the system, including depreciation, are funded primarily through Charges for Services and Investment Income.

# WATER TREATMENT

## PROGRAM SUMMARY

This program provides the processes and technologies used to remove contaminants from water and to improve and protect water quality by following the standards set by the Florida Department of Environmental Protection, Federal Environmental Protection Agency, St Johns River Water Management District, and the Occupational Safety & Health Administration.

## GOALS

1. Ensure production capacity is sufficient to meet customer demands.
2. To minimize service interruptions to our customers.
3. To achieve a degree of treatment that will promote the health of the community by maintaining the highest level of water quality which meets or exceeds the standards set by regulatory agencies and the Clean Water Act.
4. To perform testing of water quality within the established parameters required by law.
5. To ensure compliance with all health and safety requirements as prescribed by regulatory agencies.
6. To ensure the treatment plant equipment is properly maintained to minimize service interruptions.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST
Billions of gallons of water treated	1,171	1,132	-3%	1,150
Fluoride used (pounds)	30,608	27,986	-9%	29,000
Chlorine used (gallons)	35,946	29,622	-18%	33,000
System bacterial samples taken	366	382	0	400
Plant inspections conducted	52	52	0%	52
Generator exercised (times)	17	17	0%	17
Complaints received (water quality/pressure)	3	5	67%	4

# WATER DISTRIBUTION/WASTEWATER

## PROGRAM SUMMARY

This program is responsible for the total operational support of the water distribution, wastewater collection and transmission and reclaimed water distribution systems including lift station operations and maintenance.

## GOALS

1. To ensure efficient distribution of potable water for domestic and commercial use. Complete the decommission of old galvanized water lines in the downtown area.
2. To ensure the integrity of the fire hydrant system and adequate water supply and pressures for fire flow purposes. Perform annual testing of all fire hydrants in the City.
3. To provide an effective preventative maintenance program for the wastewater collection and transmission system including lift stations. Install additional lift station control probes (replace older float systems).
4. Implementation of a new Advanced Metering Infrastructure (AMI) system to provide more accurate and reliable customer service.
5. Implementation of a new GIS based work order system to provide enhanced maintenance and repair efficiency.
6. Prepare a Class A CDL training initiative for Public Works Maintenance Specialists.
7. Prepare a heavy equipment operator training initiative for Public Works Maintenance Specialists.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST
New meters installed	34	58	71%	50
Meter replacements	345	259	-25%	480
Line locations provided	1,734	2,545	47%	2,500

# PUBLIC WORKS UTILITY BILLING

## PROGRAM SUMMARY

The Utility Billing Department ensures that utility customers are billed in accordance with the rate structure established by City Commission and are treated equitably in compliance with ordinances and policies. Utility Billing performs a wide variety of functions including billing and collection; customer requests for connects, disconnects, and transfers of service; nonpayment issues; and assisting customers with questions regarding billing and services.

## GOALS

1. To provide friendly customer service.
2. To be efficient and accurate in meter reading and the utility billing process.
3. Implementation of a new Advanced Metering Infrastructure (AMI) system to provide more accurate and reliable customer service and real time consumption data.
4. To increase electronic/paperless billing and automatic draft payments.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST
Meter readings	73,227	71,756	-2%	73,191
Auto-Draft payments	15,836	16,215	2%	16,539
Service Orders	3,737	4,440	19%	4,528
Cut-offs for non-payment	284	566	99%	350

**City of Lake Mary, Florida  
Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 434**

**Project Title: Ground Storage Tank Painting**

**Dep/Div Name: Water Treatment**

**Justification/Description/Location:**

The two WTP ground storage tanks were last painted in 2013. The paint is failing and based on our warranty with Sherwin Williams, they have agreed to supply new paint at a reduced cost to the City. This item is for the labor and materials to repaint our two ground storage tanks.

**Project Title: WTP Sodium Hypochlorite Tank Replacement**

**Dep/Div Name: Water Treatment**

**Justification/Description/Location:**

The two existing 1,500 gallon double-walled high density polyethylene sodium hypochlorite (NaClO) storage tanks have been in service since 2011. The typical service life is 6-8 years due to the corrosiveness of the chemical. This budget item is to fund the replacement of both tanks including all piping, valves, and site gauges. NaClO is used as a water disinfectant.

**Project Title: WTP Sodium Hypochlorite Pump Replacement**

**Dep/Div Name: Water Treatment**

**Justification/Description/Location:**

The two existing sodium hypochlorite (NaClO) metering pump skids have been in service since 2005. NaClO is used as a water disinfectant. The two three-pump skids are starting to spring leaks at pipe fittings due to the age of the piping and the corrosiveness of the chemical. This budget item is to fund the replacement of both skids with two-pump skids including all piping, valves, gauges and accessories. The two-pump skids will be designed to be incorporated into the soon to be under construction water treatment plant enhancement project currently in design.

**Project Title: Commerical Meter Testing and Repair**

**Dep/Div Name: Water/Wastewater**

**Justification/Description/Location:**

The St. Johns River Water Management District requires all water providers to have a meter testing/replacement program in place to ensure proper accounting of water use by the periodic testing and repair or replacement of meters. This budget item is to test and repair the City's large (3" - 12") meters and to replace 2" commercial meters. This program also ensures that water revenue is properly accounted for.

Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 435**

**Project Title: Lift Station Pump Maintenance & Repair**

**Dep/Div Name: Water/Wastewater**

**Justification/Description/Location:**

The City owns and maintains 17 wastewater lift stations. Each station is equipped with two submersible centrifugal wastewater pumps and a level control system; some are equipped with mixing devices and flow meters. These components require regular maintenance and periodic replacement. This item is to fund end of life replacement and technology upgrades to pumps, mixers, level detectors, etc.

**City of Lake Mary, Florida****Fiscal Year 2020 Capital Budget Proposal****Dep/Div Number: 435****Project Title: LMB Lift Station Emergency Generator****Dep/Div Name: Water/Wastewater****Justification/Description/Location:**

The City's Lake Mary Boulevard Lift Station pumps approximately 100,000 gallons per day of wastewater and is located at the intersection of Lake Mary Blvd. and the 6th Street r-o-w. The lift station currently serves all customers east of The Forest, including the Downtown (4th St) LS, the Palmetto St. LS, and Griffin Farm. With the proposed Dwell apartment project beginning soon it is prudent to install a permanent emergency generator at this location to ensure continuity of service during power outages.

**Project Title: Water Meter Technology Upgrades**

**Dep/Div Name: Water/Wastewater**

**Justification/Description/Location:**

In 2018 the City moved to a new water meter reading technology known as radio frequency automatic meter reading/advanced metering infrastructure (AMR/AMI). The system includes new meter reading software, leak detection, high usage detection, and instantaneous and continuous meter reading. This customer service friendly metering system is being implemented over a three year period. In 2020 we plan on installing special meters that include remote controlled shut-off valves and pressure and temperature sensors in several discrete locations throughout the City (50 x \$400) \$20,000. Also in 2020 we plan to roll out an advanced customer portal which will allow customers access to their billing data and reports if they choose (\$30,000).

**Project Title: Sewer and Reuse Implementation**

**Dep/Div Name: Water/Wastewater**

**Justification/Description/Location:**

Currently approximately 50% of the parcels in the City are connected to central sewer. To address environmental concerns related to septic systems and to improve the quality of life for all residents specific areas will be upgraded to central sewer. In conjunction with providing central sewer, reclaimed water will also be provided in areas where new sewer service is constructed.

**Project Title: Water Main Extension (Eagle Creek)**

**Dep/Div Name: Water/Wastewater**

**Justification/Description/Location:**

The City's water distribution system is separated by the FDOT railroad between Longwood/Lake Mary Road and S. Country Club Road. This project is to loop the water distribution system at the south end of the City by constructing a water main extension under the railroad tracks between the Eagle Creek and Meadow Brooke subdivisions.

**Dep/Div Number: 435**

**Project Title: Water Main Extension (The Forest)**

**Dep/Div Name: Water/Wastewater**

**Justification/Description/Location:**

The City's water distribution system serving The Forest includes one connection point off of Lake Mary Boulevard. In order to improve service reliability, water quality and water pressure in The Forest we propose looping the water system off of Rinehart Road at the northwest corner of the community. At this time we anticipate being able to complete the majority of this water main extension project in-house.

# STORMWATER

## PROGRAM SUMMARY

This program is responsible for implementing National Pollutant Discharge Elimination System (NPDES) mandatory requirements for protecting surface water quality and flooding due to any storm event, creating and maintaining GIS stormwater map books, Community Rating System recertification, providing stormwater construction site inspections and maintaining stormwater drainage systems.

## GOALS

1. To operate and maintain all Stormwater (SW) collection systems and structural controls.
2. To control SW discharges from new development and construction activities.
3. To keep public streets and roadways clean in order to minimize pollutant migration in SW collection system.
4. To control pollutants from application of pesticides, herbicides, and fertilizer.
5. To inspect high risk industries, investigate illicit connections/illicit discharges (ICID), etc. in order to prevent SW pollution.
6. To provide training for spill prevention, ICID, erosion and sediment control, public education and awareness to prevent SW pollution.
7. To ensure compliance with National Pollutant Discharge Elimination System (NPDES) requirements.
8. To enhance proper stormwater drainage through the construction and maintenance of inlets, culverts, manholes, curbs, piping, and swales.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST
Inventory of Stormwater (SW) structures, inspection and maintenance (numbers)	100	148	48%	140

**City of Lake Mary, Florida  
Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 437**

**Project Title: Downtown Stormwater Upgrades**

**Dep/Div Name: Stormwater Utility**

**Justification/Description/Location:**

The Seminole Ave. stormwater pond was constructed in 2012, is approximately 0.7 acres in size and provides stormwater treatment to approximately 10 acres of property in the downtown area. The City recently purchased the parcel of land adjacent to the pond to enable expansion of the pond. This budget item is to design, permit and construct the improvements necessary to expand the pond. Once complete we anticipate the modified stormwater pond to be able to provide stormwater treatment to an additional 3 acres for future development.

# VEHICLE MAINTENANCE

## PROGRAM SUMMARY

This program provides both preventative and unscheduled maintenance to all City vehicles and most equipment including automobiles, trucks, heavy and light mechanized equipment.

## GOALS

1. To ensure all City owned vehicles and equipment are maintained in a safe and efficient manner.
2. To provide accountability for all expenditures of man-hours, inventory and other items used in maintaining the City's mechanized assets.
3. To schedule and ensure all vehicles/equipment receive preventive maintenance and service.
4. To perform emergency unscheduled repairs/maintenance on a priority basis.

PERFORMANCE MEASURES	2017	2018	%Change	2019 EST

**City of Lake Mary, Florida**  
**Fiscal Year 2020 Capital Budget Proposal**

**Dep/Div Number: 490**

**Project Title: Vehicle Lift**

**Dep/Div Name: Vehicle Maintenance**

**Justification/Description/Location:**

The existing Fleet Shop large vehicle lift is 20 years old and showing signs of aging i.e. rust. The existing lift is a 4 post chain driven lift with a capacity of 29,000 lbs. A new 4 post lift with a capacity of 33,000 lbs. and with wider runway widths (32") is proposed at a cost of approximately \$95,000.
