BUDGET MESSAGE

City Manager
ksmith@lakemaryfl.com

City of Lake Mary

Incorporated in 1973

July 17, 2025

Mayor and Commissioners,

In accordance with State law and the City Charter, I am pleased to transmit the *City of Lake Mary Fiscal Year 2026 Proposed Budget* for your consideration and review. As presented, the FY 2026 budget totals \$52,595,645, representing a 1.72% increase over the prior fiscal year. The included proposed millage rate of 3.5895 mills remains unchanged and the lowest total municipal rate in Seminole County.

Budget Outlook

The national economic landscape continues to present challenges in the preparation of our annual budget. While inflationary pressures have begun to ease, the lingering effects of rising costs continue to impact the affordability of goods and services. Workforce availability and the demand for specialized skills remain critical concerns. Additionally, the economic impact from the tariff policies on international trade is still unclear. With this in mind, it is important that the FY 2026 budget continues to adhere to our long-established strategic approach of maintaining strong fiscal management practices, while ensuring a stable and prosperous future for our City.

Based on projections from the Seminole County Property Appraiser's Office, taxable values for FY 2026 are expected to grow from \$3.67 billion to \$3.83 billion. This equates to a moderate 4.31% increase compared to the previous year. This will generate approximately \$537,086 in additional ad valorem revenues which remains the City's largest single revenue source, accounting for 43.55% of total revenues. Two factors contributed to this modest growth; a significant reduction in new construction (43.60%) compared to the prior year, and a stagnation or decline in commercial valuations due to vacancies in office spaces. Whether this trend is a temporary fluctuation or indicative of a long-term shift remains uncertain.

Development remains active inside the City with several ongoing construction projects, including Heathrow Hill, Rinehart Pointe, Office Biscayne, Fairfield Lake Mary, and Fontaine Subdivision. Looking ahead, upcoming developments such as Alhambra Medical Park, Heathrow Center, Florida Retina Institute, and various additional residential, office, and commercial infill projects are expected in the coming years. As the City approaches full development, maintaining proactive

BUDGET MESSAGE

planning strategies and forward-thinking initiatives is crucial to preserving its outstanding reputation as one of the premier places in Florida to live, work, and establish a business.

Downtown Lake Mary remains a key focal point. Our ongoing \$4.30 million multi-year downtown transformation project, jointly funded by the City and Seminole County through the one-cent sales tax program, along with additional support from American Rescue Plan Act (ARPA), is designed to integrate Uptown/International Parkway, the Medical Corridor/Rinehart Road, and Midtown/Griffin Farms, providing multiple opportunities for those who wish to establish or move their business, as well as those seeking to make Lake Mary their home. The final phase of this project involves converting to underground electrical power lines, upgrading streetlights, signal modifications, and enhancing the streetscape along Country Club Road. Additionally, several developments are on the horizon within the downtown corridor, including Dwell at Lake Mary mixed-use project, Lourdes Landing townhomes, Crystal Lake Condos, and 4th Street Studios, which is currently under construction. Further build-out within the downtown area, particularly along Country Club Road and Wilbur Avenue, is expected, focusing on boutique commercial and residential redevelopment.

It is also important to note that FY 2025 was the end of COVID-related aid and relief provided to local and state governments. The financial flexibility that supported operations over the past years is now gone.

Finally, as always, this budget strives to provide for the highest quality government services possible to facilitate the continuation and enhancement of our community's extraordinary quality of life and economic opportunities, while remaining steadfast in our adherence to an equal level of fiscal responsibility in the provision of those services.

Budget Highlights

- The proposed FY 2026 budget, totaling \$52,595,645 for all funds combined, is \$886,819, or 1.72%, more than the FY 2025 budget.
- The FY 2026 proposed millage rate of 3.5895 remains unchanged for the thirteenth consecutive year and represents the lowest total municipal rate in Seminole County.
- Ad valorem taxable values, as provided by the Seminole County Property Appraiser, are projected to increase 4.31% for FY 2026. At the proposed millage rate, this increase yields \$537,086 more ad valorem revenue than the prior year.
- General Fund revenues, exclusive of ad valorem revenues, are projected conservatively in FY 2026.

BUDGET MESSAGE

Budget in Brief

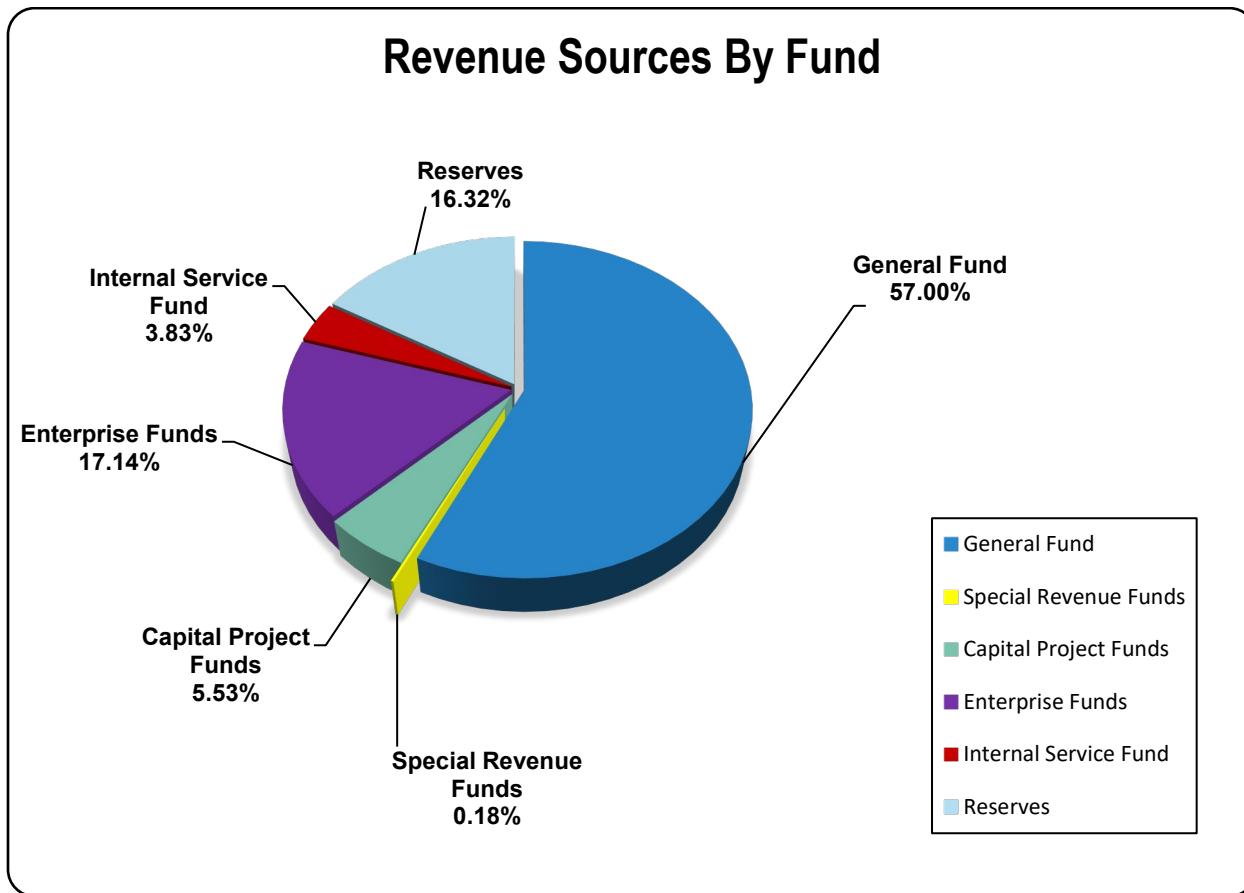

Figure 1 – Total Sources \$52,595,645

(Remainder of page intentionally left blank.)

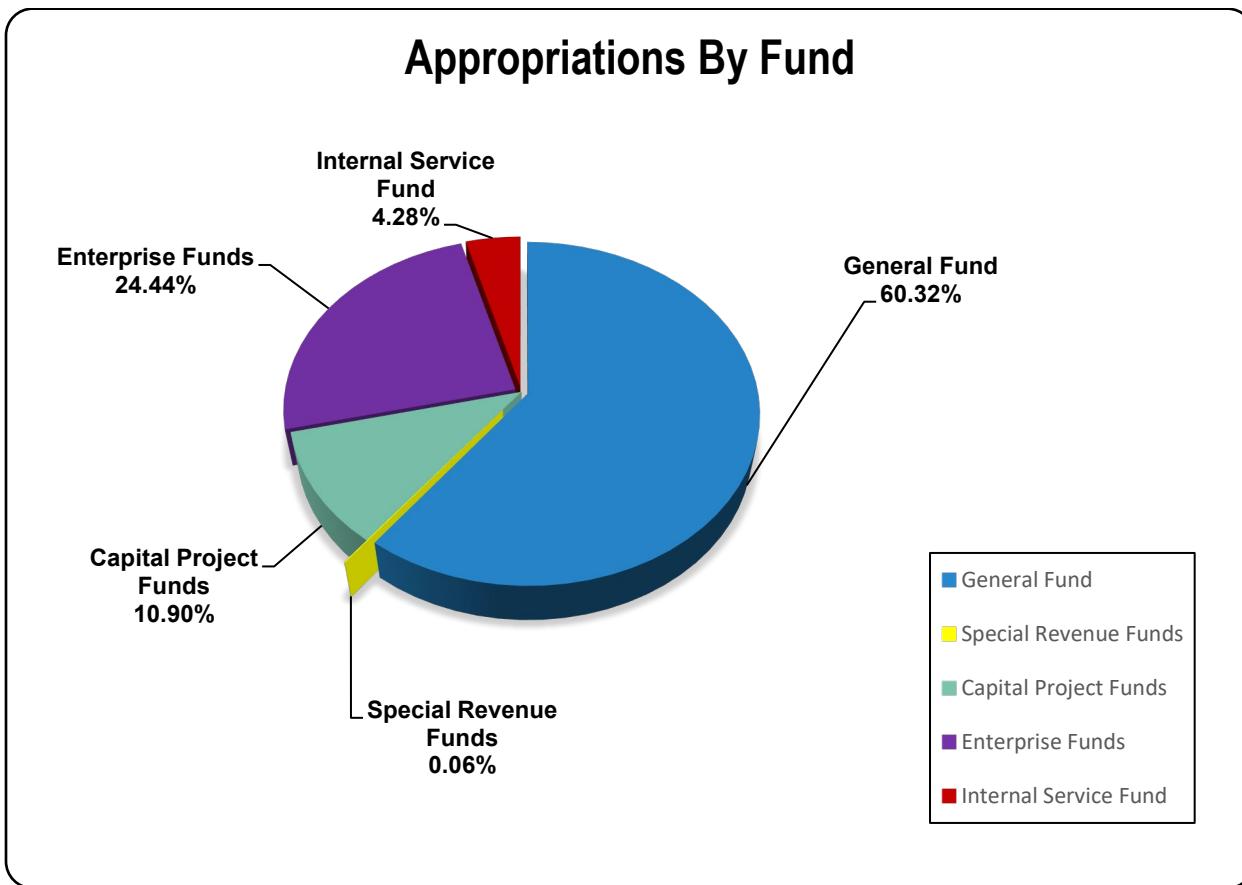

Figure 2 – Total Appropriations \$52,595,645

Debt Service

The City has no outstanding debt and is therefore currently debt-free.

Capital Projects

- Appropriations for FY 2026 General Fund capital projects total \$1,189,400 consisting of IT upgrades, public safety equipment, park enhancements, and capital improvements on our municipal facilities.
- Projects funded via the one-cent sales tax program total \$4.54 million and include the Downtown Improvement Project, Rinehart Road Improvement Project, Street Reconstruction Project, and Sidewalk Improvement Project as follows:
 - An appropriation of \$1,559,000 for the downtown improvement project includes underground electrical power line conversion, streetlight upgrades, signal modifications, and streetscape enhancements along Country Club Road.
 - An \$886,000 allocation for the Rinehart Road improvement project includes planned improvements to Crystal Lake Elementary School vehicular access, and various additional transportation improvements along the Rinehart corridor, as new associated development warrants.
 - \$2,000,000 is earmarked for the biennial street reconstruction project.

BUDGET MESSAGE

- \$100,000 is allocated for the sidewalk improvement project.
- An appropriation of \$1,800,000 is included in the Water/Sewer Fund to replace all electrical components of the original water treatment plant and raw water wells with components that meet current standards. These components have also surpassed its useful life.

Personnel

The proposed FY 2026 budget includes funding for (up to) 3% merit increases, based on employee performance, calculated through the annual evaluation process. Funding is also provided herein for the continuation of our employee recognition program. The proposed budget also provides for the addition of one (1) new Police Officer (SRO) in FY 2026.

Employee Benefits

The City pays a single premium per employee for health insurance (based on the plan selected). For FY 2026, our health insurance premiums are increasing 8.50%, driven by recent high claims experience. Overall claims experience for the Health Pool warrants a higher rate but is mitigated due in large part to the Pool utilizing reserves to fund FY 2026 premiums. We will continue to monitor our health insurance program and related costs and make every effort to contain costs through various means such as employee education, wellness programs, and cost sharing. Dental, long-term disability and life insurance costs remain stable in FY 2026.

Vehicle Replacement Fund

The Vehicle Replacement Fund currently serves a fleet of 173 vehicles and large motorized equipment. Each year, the proposed vehicle replacement schedule is scrutinized for not only age or miles, but overall condition and projected reliability as well. Accordingly, twenty-four (24) items are included for replacement in FY 2026, including two (2) items that were ordered in the prior fiscal year, but not yet received due to availability issues. In total, the items include eight (8) Police vehicles, seven (7) Public Works vehicles, two (2) Fire vehicles, one (1) Facilities vehicle, one (1) Community Development vehicle, one (1) Building vehicle, and four (4) Parks vehicles.

Budget Calendar

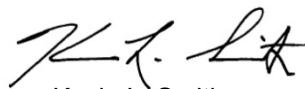

A Commission Workshop to review and consider the Fiscal Year 2026 Proposed Budget is scheduled for July 17, 2025 at 5:00 PM, with additional meetings to be added as the Commission deems warranted.

Subsequently, in accordance with Florida TRIM law, a tentative millage rate is required to be adopted by August 4, 2025. Thus, consideration of a tentative millage rate for adoption by the Commission is included on the July 17, 2025 regular Commission meeting agenda. This item includes my recommendation that the Commission establish a proposed millage rate for FY 2026 of 3.5895 mills (unchanged from FY 2025), set the rolled-back rate at 3.4694 mills, and schedule the first public hearing for adoption of the FY 2026 budget for September 4, 2025, at 7:00 PM in the Commission Chambers.

BUDGET MESSAGE

Acknowledgments

The budget process and this resulting document could not have been completed without the support of the Mayor and Commission and the diligent and cooperative efforts of our Department Directors and staff. Our team is dedicated to providing cost-effective, efficient, innovative services to our community, and do so in an exceptional manner. They are simply the best at what they do and I would like to personally convey my heartfelt thanks to our entire team for their ongoing daily efforts, as well as their cooperation and support throughout this budget process.

Kevin L. Smith

MILLAGE AND TAXABLE VALUES

Quick Facts

- Based on the preliminary taxable value estimate provided by the Seminole County Property Appraiser on June 25, 2025, ad valorem taxable values in the City rose to \$3.83 billion, up 4.31% from the prior year.
- The proposed millage rate of 3.5895 generates \$13,056,336 in budgeted ad valorem revenues for FY 2026.
- Each 1/10th of a mill generates \$363,737 in ad valorem tax revenue.

Historical Perspective

	FY 21	FY 22	FY 23	FY 24	FY 25	Proposed FY 26
Taxable Value (millions)	\$ 2,806.0	\$ 2,888.9	\$ 3,217.1	\$ 3,459.6	\$ 3,670.5	\$ 3,828.8
% Change in Taxable Value	6.30%	2.96%	11.36%	7.54%	6.10%	4.31%
New Construction Value (millions)	\$ 51.8	\$ 29.5	\$ 91.9	\$ 8.9	\$ 55.5	\$ 31.3
Millage Rate	3.5895	3.5895	3.5895	3.5895	3.5895	3.5895
Rolled-back Rate	3.4257	3.5204	3.3181	3.3362	3.4344	3.4694
Adjusted Rolled-back Rate	4.4525	4.5075	4.3513	4.2922	4.2234	4.3143
Majority Vote Maximum Rate	4.5959	4.7072	4.6180	4.4141	4.4637	4.5089
Two-thirds Vote Maximum Rate	5.0555	5.1779	5.0798	4.8555	4.9101	4.9598
Property Tax Revenue (millions)	\$ 9.60	\$ 9.85	\$ 10.97	\$ 11.85	\$ 12.52	\$ 13.06

Statutory (TRIM) Millage Rates

Rolled-back Rate. This rate provides the same property tax revenue as the prior year, plus tax revenue on new construction. For FY 2026, this rate is 3.4694 and would generate ad valorem revenue of \$12,619,488.

Adjusted Rolled-back Rate. This rate is used to calculate the new year Statutory Maximum Rate(s). It is derived from the prior year tax proceeds with the prior year Maximum Rate divided by the new year taxable value. For FY 2026, this rate is 4.3143 and would generate ad valorem revenue of \$15,692,701.

Majority Vote Maximum Rate. This rate incorporates the Adjusted Rolled-back Rate modified for the change in per capita Florida personal income, as reported each year by the Office of Economic and Demographic Research. This rate would require a majority vote to impose. For FY 2026, this rate is 4.5089 and would generate ad valorem revenues of \$16,400,533.

Two-thirds Vote Maximum Rate. This rate represents 110% of the Maximum Rate and requires a two-thirds (supermajority) vote to impose. For FY 2026, this rate is 4.9598 and would generate ad valorem revenues of \$18,040,623.

CITY COMMISSION

MISSION

To represent the citizens of Lake Mary in governing the City.

GOALS

1. To establish policies compatible with federal and state requirements and to make land development decisions consistent with the City of Lake Mary's Comprehensive Plan.
2. To be responsive and understanding to the problems and needs of Lake Mary citizens.
3. To represent the City before the state, county and other units of government in an effort to protect Lake Mary's interests.

CITY MANAGER

PROGRAM SUMMARY

To provide professional administration of policies and programs established by the City Commission and to demonstrate leadership and innovation in the supervision of the daily affairs of City government. Also, to provide Human Resource support and Risk Management services to all departments.

GOALS

1. To ensure that the citizens, employees, and applicants of Lake Mary are treated in a fair, courteous, and professional manner.
2. To ensure that the City's Annual Budget is prepared and administered in a manner compatible with accepted governmental accounting procedures and the wishes of the Commission.
3. To provide the Commission with appropriate information and backup material which helps them make policy decisions that are in the best interests of the City.
4. To keep the Commission informed of all matters relative to the City's finances.
5. To ensure compliance with all state, federal and local laws pertaining to equal employment opportunity, Family Medical Leave Act (FMLA), Risk Management, Americans with Disabilities Act, Workers' Compensation, safety and other related programs.
6. To advance economic prosperity for the City of Lake Mary by helping to achieve balanced growth through job creation, business assistance, workforce and neighborhood development programs.

LEGAL SERVICES

PROGRAM SUMMARY

To ensure the City Commission, City Manager and staff are fully aware of the legal constraints and ramifications of policy and to provide support for administrative decisions. Also, to protect the City's interest in and through the judicial system.

GOALS

1. To provide legal opinions when requested by the City Commission or City Manager.
2. To draft and/or review ordinances and resolutions to ensure that the Commission's intent is both properly and legally stated.
3. To attend all regular meetings of the City Commission and other meetings as required.
4. To provide for outside counsel as needed for specialized areas of law such as labor and environmental law.

CITY CLERK

PROGRAM SUMMARY

This program is responsible for maintaining and indexing all City records including minutes, ordinances, resolutions, agreements/contracts, proclamations and deeds of City owned property. The City Clerk also attends, records and prepares minutes for all City Commission meetings, handles all legal advertisements for public hearings, coordinates advisory board compliance, provides information to the public regarding City matters, manages public records requests, conducts City elections, and oversees local business tax receipts.

GOALS

1. To index minutes, ordinances and resolutions.
2. To scan all permanent records for the purposes of retention.
3. To prepare and supervise records retention schedules for all City departments.
4. To conduct City elections in accordance with the City Charter.
5. To record and transcribe minutes of all City Commission meetings including workshops.
6. To have Deputy City Clerk obtain Certified Municipal Clerk designation.

GENERAL ADMINISTRATION

PROGRAM SUMMARY

To provide the funding for general services including Employee Health Clinic, special projects, and other expenditures which are not reasonably allocable to other operating programs. Also includes costs associated with citywide memberships and economic incentives.

GOALS

1. To provide for the operation and maintenance of the Employee Health Clinic.
2. To recognize citizens, organizations and employees from time to time through public acknowledgment.
3. To take advantage of the benefits provided by the City's memberships in various organizations which represent local government.
4. To support the City's various advisory boards and special events.
5. To provide funding for the day-to-day operations and maintenance of City Hall.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST
Wellness (U Matter) Employee Events	12	75	525%	75
Special recognition (persons)	52	63	21%	55

RISK MANAGEMENT

PROGRAM SUMMARY

This program provides for the operation of the City's Safety Program. The Safety Committee acts as the review board for incidents involving vehicle collisions, damage to City equipment, and job related injuries with a goal of prevention. This program also provides the funding for hepatitis immunizations, pre-employment examinations, FDLE background checks, and the Safety Incentive Program.

GOALS

1. To reduce the number of accidents and injuries incurred by City employees through education, training and incentive programs.
2. To provide entry level physicals (Police and Fire) and background checks for all new employees.
3. To increase safety awareness via mandatory safety meetings/training and reading materials.
4. To provide representation on the PRM Board.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST

COMMUNITY DEVELOPMENT

PROGRAM SUMMARY

The Planning and Zoning Division manages all development processes within the City, assisting residents, businesses, and property owners to achieve the community's vision by ensuring quality development and protecting the character of the community through application and enforcement of the City's land development code.

GOALS

1. Ensure the timely review of all Planning and Zoning requests in alignment with the City of Lake Mary Code of Ordinances and the Comprehensive Plan. This includes engaging the public early in the process, proactively sharing information through both the First Step Process and Online Development Dashboard, and delivering high-quality customer service.
2. Enhance and expand the City's online GIS presence by adding interactive map tools and web applications accessible to the general public and non-GIS staff, thereby improving customer service delivery. Ensure the City's website is regularly updated with relevant information regarding Planning and Zoning activities. Streamline processes with innovative technologies, including digital submission and review of planning and zoning requests, enhanced visual representations, and digital scanning and cloud-based storage of development proposals to boost overall efficiency.
3. Evaluate the effectiveness of the City's Land Development Code in facilitating development that aligns with the community's vision and the Comprehensive Plan. Propose updates to upgrade the Land Development Code, focusing on compatibility of zoning districts, land uses, and development standards.
4. Promote redevelopment and business growth through proactive planning initiatives.

INFORMATION SYSTEMS

PROGRAM SUMMARY

Information Technology provides technical support for all computers, laptops and networking equipment for the City government. Also, to maintain a quality infrastructure and ensure prompt, reliable, and efficient technology services for City employees.

GOALS

1. Implementation of online software to improve communication with the public.
2. Make improvements to the secured management environment with proper monitoring, alert notification identification and remediation tasks.
3. To provide technical support for all City information systems and computer hardware related network systems and operations, as well as provide an informative presence on the Web.
4. To suggest new technology strategies that meet the goals and needs of the City, develop policies and procedures relating to technology and train employees on their use.
5. To implement, develop, and enforce technology standards for all City departments.
6. To provide quality service to City employees through teamwork, partnership and individual strengths.

FINANCE

PROGRAM SUMMARY

This program is responsible for maintaining the City's financial accounting system that includes accounts payable and receivable, payroll processing, fixed assets, annual audit, procurement, and the preparation of all City financial reports. This department is also responsible for the development of the City's Annual Operating Budget and acts as a central collection point for all monies received from other City departments. In conjunction with the City's Water and Sewer Fund, the department also prepares utility bills and collects payments from its customers.

GOALS

1. To provide service initiatives that offer convenience and transparency to our customers.
2. Continue to produce an Annual Comprehensive Financial Report that meets the GFOA "Certificate of Achievement for Excellence in Financial Reporting" criteria.
3. To provide quality financial information on a timely basis to maintain relevance and reliability.
4. Utilize technology to enhance organizational efficiency.
5. To provide continued training opportunities for staff.
6. To process invoice payments within twenty-five (25) days of receipt date.

BUILDING DIVISION

PROGRAM SUMMARY

The Building Division is tasked with implementing and enforcing the City's technical codes to safeguard and improve the health, safety, and well-being of its residents. This is accomplished by reviewing, evaluating, and processing applications and plans for new construction, expansions, and modifications to buildings within the City. Additionally, the division coordinates permitting and inspections across various construction disciplines, including structural, electrical, plumbing, mechanical, and gas. Support services offered also include customer assistance, document scanning, and project intake.

GOALS

1. Offer professional permitting services to all individuals and entities seeking to build within the City of Lake Mary.
2. Examine all plans to ensure compliance with local and state building codes and other applicable regulations.
3. Conduct construction inspections to confirm adherence to local and state building codes and other applicable regulations.
4. Maintain comprehensive records of permitted activities, fees collected, plans reviewed, and inspections conducted using the most effective methods available including digital scanning and cloud-based storage.
5. Stay informed of updates to Florida Statutes and Building Codes and revise policies and procedures to incorporate any changes.
6. Pursue IAS Recognition or Accreditation to highlight our dedication to service excellence, safety, and continuous quality improvement in permitting, plan review, and inspection services.

Fiscal Year 2026 Capital Budget Proposal**

Dep/Div Number: 124

Project Title: Building Department Improvements

Dep/Div Name: Building

Justification/Description/Location:

The Building Division is seeking Recognition and Accreditation through the International Code Council/International Accreditation Service to further the department's commitment to service, safety and continuous improvement and advancement. As such, we are seeking to enhance business processes by digitizing all files, plans (large and small format), permits, etc. and implementing a full service file management and archiving software system. This endeavor will include full historical document migration, consolidating files stored in multiple formats and locations into one software application. This will allow for improved service delivery for users, by providing cloud-based user access and a searchable file folder structure. The platform will improve efficiencies and provide a single searchable database of all permitting and building plans history allowing staff to fulfill requests for information quickly and accurately. In addition, advancements in the Building Division's visual displays and appearance will further improve the customer experience.

POLICE OPERATIONS

PROGRAM SUMMARY

This program is responsible for all police services/operations including law enforcement, investigations, traffic enforcement, crime prevention and public education.

GOALS

1. Continuously adjust and update policies and procedures in order to maintain the Excelsior status as an accredited agency with the Commission for Florida Accreditation.
2. Plan for growth within the agency in response to the additional calls for service and traffic concerns that will arise from current and anticipated construction projects occurring throughout the City.
3. To train sworn personnel in high-liability areas as mandated by the State of Florida. Prepare in-service training and/or external instruction to keep up with ongoing changes to Florida law and police procedures.
4. Provide police staffing at predetermined schools within the City according to state law. Public schools to be staffed by Lake Mary officers as determined. Continue to work with SCSO and SCSB to complete annual contract agreements for public schools and plan for appropriate coverage for charter schools. Annual meeting/discussions with LM Prep school to discuss their staffing needs.
5. Prepare to recruit and promote a diversified police force as anticipated personnel retire or leave the agency. Continue supporting the reserve Police Officer unit.
6. Continue to provide training and equipment for Officers to manage personal safety. Educate Officers on mental health awareness and de-escalation techniques. Encourage Officers to participate in a personal wellness program.
7. Continue community outreach by engaging in functions such as; coffee with a cop, homeowner association meetings, and citizen involvement organizations (Boy/Girl Scouts, religious organizations, Senior Intervention Group, etc.). Provide outreach services to residents through the department's Special Needs Registry and the Citizen's Police Academy.

Total			\$ 96,450

Total New Personnel Costs **\$ 193,872**

POLICE SUPPORT SERVICES

PROGRAM SUMMARY

This program provides records, property and evidence, equipment and supplies, and code enforcement support for the Police Department.

GOALS

1. To provide face-to-face assistance for individuals coming into the police department requesting public information.
2. To provide fingerprinting services to the public.
3. To compile reports for state and national government (i.e. UCR, Hate Crime, etc.) and as needed for other police department business.
4. To support the City by gathering necessary background information for contract workers and City employees that need to gain access to our facility to complete projects as well as City vendors, volunteers, and employees who have interaction with children, the elderly, or disabled.
5. To process and store agency reports, including arrests, criminal reports, radar calibrations, special operations, etc. in accordance with Florida Records Retention Laws.
6. To process requests for uniforms, equipment, and other operating items for the police department.
7. To maintain custody and storage of items being placed into evidence. This encompasses the collection, identification, lab analysis, preservation, storage, destruction and transfer of all items of evidence to other agencies.
8. To preserve and provide body camera and in-car camera video for the media, attorneys or other public information requests with redaction as required.
9. Receive, investigate, and process complaints as they relate to reported violations of the City's Code of Ordinances.

FIRE EMERGENCY OPERATIONS

PROGRAM SUMMARY

The Lake Mary Fire Department (LMFD) is dedicated to delivering top-tier fire suppression, emergency medical, and rescue services to our community. Our mission is to execute these services with the utmost professionalism, efficiency, and expertise. To ensure the fulfillment of our goals and objectives, we conduct periodic reviews and annual updates, adapting as needed to shifting priorities, financial constraints, and strategic refinements. The Emergency Operations Program budget is designed to sustain the personnel and logistical infrastructure required for a proficient career Fire Department. With operations spanning two stations; #37 on Wallace Court and #33 on East Crystal Lake Avenue, strategically positioned on the west side and downtown area respectively, we maintain ALS Rescue/Transport units, an ALS Engine Company, and an ALS Quint Company. Each day, a dedicated Emergency Operations Division Battalion Chief supervises field unit operations, ensuring seamless coordination and effective response to emergencies.

GOALS

1. Establish a community paramedicine program.
2. Establish a Lake Mary Fire Department Training Plan to identify all details required for the opening of a City of Lake Mary training facility.
3. Establish technologies providing live information on performance measures and operational situational awareness in the hands of all personnel with emphasis on supervisors.
4. Ensure the City of Lake Mary's Comprehensive Emergency Management Plan, Continuity of Government and Continuity of Operations Plan are updated.
5. Monitor forces of change that are impacting and/or predicted to impact goods and services.

COMMUNITY RISK REDUCTION

PROGRAM SUMMARY

Community Risk Reduction (CRR) oversees a comprehensive fire and life safety initiative for the Lake Mary community. This "Champions for Life" initiative includes inspections, plan reviews, community engagement, and educational programs. Annual inspections are conducted on all commercial, educational, and multi-family buildings within the City to ensure compliance with state-mandated safety standards and local ordinances. Pre-fire plan site visits are coordinated through CRR and executed by Operations personnel. Public education initiatives are provided to both business and residential communities covering topics like fire safety, emergency planning, evacuation procedures, station tours, and CPR/First Responder. Moreover, the program assists with public information and emergency management as well as investigations into all fires within the City limits, collaborating with state investigators. Additionally, the program handles the review and processing of applications and plans for site development, new construction, and structural modifications within the City. Inspection of various aspects such as site conditions, water supply, structural integrity, electrical systems, mechanical setups, gas provisions, and fire detection and suppression systems are conducted at different construction stages.

GOALS

1. Complete 100% of annual maintenance inspections in all commercial and multi-family residential buildings within the City limits.
2. Work towards achieving the "Heart Safe Community" recognition.
3. Maintain Community Risk Assessment, Accreditation and ISO documents as required.
4. Coordinate community outreach and education with shareholders, stakeholders, first response partners and the community.
5. Establish a drowning prevention program.

PUBLIC WORKS - ADMINISTRATION

PROGRAM SUMMARY

This program ensures that all work done by Public Works personnel is performed in an efficient, safe and timely manner. Activities include managing the daily work effort of each function including streets, sidewalks, storm sewers, rights-of-way maintenance, fleet maintenance, potable water treatment and distribution, wastewater collection, reclaimed water distribution, and surface water quality. This function includes the City Engineer and Construction Manager, who are responsible for developer plan review and site inspections to ensure that all subdivision and site construction complies with the City's Code of Ordinances and any applicable development orders.

GOALS

1. To provide the administration of resources and personnel for all Public Works initiatives serving the community and to respond to all citizen concerns related to Public Works. This includes the implementation of a new GIS based work order system.
2. Prepare a Class A CDL training initiative for Public Works Maintenance Specialists.
3. Prepare a heavy equipment operator training initiative for Public Works Maintenance Specialists.
4. Prepare a computer literacy training initiative for all Public Works employees.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST

PUBLIC WORKS - STREETS/SIDEWALKS

PROGRAM SUMMARY

This program is responsible for establishing a systematic maintenance schedule for all paved streets within the City. Also, to maintain all sidewalks, signs and rights-of-way.

GOALS

1. To make the City's street system safe and convenient to use via a comprehensive maintenance system to include pavement repair and resurfacing, pavement restriping, and street sign maintenance.
2. To provide and maintain a functional network of sidewalks throughout the City.
3. To help maintain the aesthetics of the community by proper maintenance of public rights-of-way, including tree trimming and removal.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST

PARKS & RECREATION

PROGRAM SUMMARY

To enhance and enrich the quality of life and encourage healthy lifestyles for our community through superior parks, open spaces, facilities, trails and recreational opportunities. This will be accomplished through dedicated leadership, a commitment to excellence, and effective management of resources.

GOALS

1. To provide a diverse mix of well organized and enjoyable recreation programs for the Lake Mary community, through both department run programs and partnerships with local recreation programmers.
2. To provide a variety of special event opportunities to the Lake Mary community that people enjoy attending and that local businesses and organizations want to support through sponsorships.
3. Maintain all parks and recreational facilities at their highest levels. Oversee the contractual maintenance of Lake Mary Boulevard, Rinehart Road, Rinehart Trail, Municipal Complex, Crystal Lake Avenue, SunRail Station and Seminole Avenue. Continue to cross train staff for flexibility and succession within the department.

FACILITIES MAINTENANCE

PROGRAM SUMMARY

The Facilities Maintenance division is responsible for the general maintenance and upkeep of all City owned buildings and structures. Services include electrical, HVAC, safety/security systems, generators, plumbing, maintenance, janitorial, pest control, refrigeration/ice, and general repairs.

GOALS

1. Maintain the physical integrity and physical appearance of all City facilities.
2. Reduce energy consumption at City facilities through integration of energy efficient materials and processes.
3. Provide efficient, responsive, and quality customer service to internal and external customers.
4. Provide financially sound long range planning for all required facility maintenance projects at all facilities.

EVENTS CENTER

PROGRAM SUMMARY

The Lake Mary Events Center is the premier event venue in the heart of the City's downtown. This award winning facility, located on West Crystal Lake, provides an ideal location for business meetings, conferences, weddings, receptions, banquets, ceremonies, parties and retreats for the citizens of Lake Mary and surrounding areas. The center also includes an events lawn for outdoor activities.

GOALS

1. To offer an inviting facility to meet the growing needs of our community for special events including weddings, receptions, parties, and other social gatherings.
2. To provide a state-of-the-art facility to host meetings, conferences and retreats for local businesses.
3. To offer a venue to host City-sponsored events.

COMMUNITY CENTER

PROGRAM SUMMARY

The Lake Mary Community Center serves the community as a space for recreational programming and small private rentals. The popular summer camp program is also run out of the facility, which features nine (9) weeks of summer fun for eighty (80) local children. The facility is also the office for the Recreation division.

GOALS

1. To provide a diverse mix of well organized and well enjoyed recreational programming for the Lake Mary community, through both department run programs and partnerships with local recreation programmers, while aiming to achieve 100% cost recovery.
2. To provide affordable, high quality rental space, while aiming to achieve 80% cost recovery.
3. To provide office/workspace for the recreation division to provide customer service to the City residents and customers of the parks and recreation department.

SENIOR CENTER

PROGRAM SUMMARY

The Lake Mary Senior Center serves to promote healthy aging, independence and well-being for adults fifty five (55) years and older through health, wellness, and educational recreation programs and services. The Senior Center also serves the community as a meeting space for City Homeowners' Association meetings.

GOALS

1. To serve an aging population with social, recreational, active and healthy opportunities. This will be accomplished by continuing to offer and improve upon quality programs such as yoga, dance and aerobic activities for physical health while also complementing with programs that meet our residents' social needs.
2. To provide affordable, high quality community space for City Homeowners' Association meetings and community events, while aiming to achieve 80% cost recovery.

TENNIS CENTER

PROGRAM SUMMARY

The Lake Mary Tennis Center serves the community as a premier tennis facility in Seminole County, and features seven (7) Har-Tru clay soft courts. In addition to providing courts for member and guest self-organized play, the facility also coordinates a variety of programming for tennis players of all ages and skill levels. From a youth tennis program, to individual private lessons, the Lake Mary Tennis Center provides the community with a high quality tennis facility. The facility also serves as a satellite office for the recreation division, allowing a base of operations for all activities and programs at the Lake Mary Sports Complex.

GOALS

1. To provide a quality tennis facility for the Tennis Center membership and daily guests, while aiming for an 80% cost recovery for the facility.
2. To provide well organized and enjoyed tennis programming, through both department run programs, as well as those delivered through a contracted tennis professional.
3. To provide an opportunity for the Lake Mary community to receive high quality tennis instruction from sanctioned tennis professionals.

SPECIAL REVENUE FUNDS

Special Revenue Funds account for the proceeds of specific revenue sources that are legally restricted for specified purposes.

POLICE EDUCATION FUND - This fund accounts for the \$2.00 assessment on each traffic citation restricted to criminal justice education and training in accordance with Chapter 938.15, Florida Statutes.

IMPACT FEE FUNDS - These funds account for impact fees levied on new development and are restricted to fund capital facilities and equipment directly related to new growth.

LAW ENFORCEMENT TRUST FUNDS - These funds account for state and federal forfeiture funds used for School Resource Officers, crime prevention, drug education programs or other law enforcement purposes in accordance with Chapter 932.705, Florida Statutes.

LAKE MARY CEMETERY FUND - This fund accounts for the operation of the cemetery including plot sales and maintenance.

Project Title: Document Management System Migration

Dep/Div Name: Information Systems

Justification/Description/Location:

We are looking to migrate away from our current Document Management System (FileBound) to better support our departments' needs for records retention, indexing and searching. The project will include the annual licensing and fees for the software and cloud hosting in a CJIS compliant cloud, as well as the data migration services to export the data out of our current Document Management System and import it into the new system.

Project Title: Laptop Replacement

Dep/Div Name: Police

Justification/Description/Location:

Annual replacement of laptop computers used by officers for report writing and traffic crash reporting. Additionally the computers are used to conduct record checks on vehicles, persons, articles, and criminal histories while in the field. Officers are now dispatched on their computers and watch information as it unfolds on other jurisdiction cases that may affect our response. The replacement plan will keep laptops at optimal working performance and was coordinated with IT.

Project Title: Stryker Power-LOAD

Dep/Div Name: Fire

Justification/Description/Location:

We are requesting to purchase a replacement Stryker Power-LOAD for one (1) emergency transport (rescue) vehicle. The current Power-LOAD has been in service for ten (10) years. The recommended service life of that equipment is seven (7) years. The Power-LOAD system is an essential piece of pre-hospital medical equipment, and can help to minimize the potential for patient drops or injuries during transport, which can have significant legal and financial implications for healthcare organizations.

Project Title: Parking Lot Rehabilitation

Dep/Div Name: Streets/Sidewalks

Justification/Description/Location:

The City owns and maintains a dozen parking lot facilities. Parking lot rehabilitation consists of seal coating and restriping of asphalt parking areas and minor repairs to concrete parking areas. This ongoing rehabilitation helps extend the life of the asphalt through preventive maintenance. The appearance of our City facilities will be safer, cleaner and more appealing to the public. Parking facilities are maintained on an as needed basis.

Project Title: Conversion to Underground Power

Dep/Div Name: Streets/Sidewalks

Justification/Description/Location:

In order to provide for hurricane preparedness and safety, this project is to convert overhead electric service facilities to underground electric service facilities in the City's downtown core. The project is located along North Country Club Road from Lake Mary Boulevard to the Events Center (Alma Avenue), on East Wilbur Avenue from Country Club to Second Street, and on East Lakeview Avenue from Country Club our Fire Station #33. The conversion also includes moving street lighting from power poles onto new decorative street light poles.

Project Title: Country Club/Wilbur Signal Modification

Dep/Div Name: Streets/Sidewalks

Justification/Description/Location:

This project is to convert the single post and mast arm traffic signal configuration at the intersection of North Country Club Road and Wilbur Avenue into a four (4) post, post-mounted signal configuration providing for a more appealing and downtown rural appearance. This is part of the overall beautification of the Downtown Development District.

Dep/Div Number: 432

Project Title: Country Club Road Streetscape Improvements

Dep/Div Name: Streets/Sidewalks

Justification/Description/Location:

In an effort to improve the City's experience for residents, visitors, and businesses, this project will provide for an enhanced streetscape along North Country Club Road from Lakeview Avenue to the Events Center (Alma Avenue). Elements of the streetscape project may include: new landscaping - including street trees, understory planting (ground landscaping), and above-ground planting (planter boxes and hanging baskets). There would also be sidewalk enhancements and site furnishings (pedestrian amenities and functional elements that could include seating, bicycle racks, pathway lighting along Lakeview Ave, safety bollards, flower stands, gateway monuments, public art, trash receptacles, and wayfinding signage).

Dep/Div Number: 432

Project Title: Street Reconstruction Project

Dep/Div Name: Streets/Sidewalks

Justification/Description/Location:

Milling and resurfacing of asphalt streets are to ensure that they are maintained in a safe and structurally sound condition. In FY 2026, International Parkway or Rinehart Rd, depending on greater need, have both been identified through our pavement network inspections as needing to be repaved. Pavement network inspections by a consulting engineer are scheduled every two (2) to three (3) years.

WATER AND SEWER FUND

The Water and Sewer Fund accounts for all financial activity associated with the operation of the City's water and sewer system. Designed to be self-supporting, all costs of providing services to the users of the system, including depreciation, are funded primarily through Charges for Services and Investment Income.

This page intentionally left blank.

WATER TREATMENT

PROGRAM SUMMARY

This program provides the processes and technologies used to remove contaminants from water and to improve and protect water quality by following the standards set by the Florida Department of Environmental Protection, Federal Environmental Protection Agency, St. Johns River Water Management District, and the Occupational Safety & Health Administration.

GOALS

1. Ensure production capacity is sufficient to meet customer demands.
2. To minimize service interruptions to our customers.
3. To achieve a degree of treatment that will promote the health of the community by maintaining the highest level of water quality which meets or exceeds the standards set by regulatory agencies and the Clean Water Act.
4. To perform testing of water quality within the established parameters required by law.
5. To ensure compliance with all health and safety requirements as prescribed by regulatory agencies.
6. To ensure the treatment plant equipment is properly maintained to minimize service interruptions.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST
Billions of gallons of water treated	1,349	1,378	2%	1,406
Fluoride used (pounds)	32,361	30,480	-6%	3,000

WATER DISTRIBUTION/WASTEWATER

PROGRAM SUMMARY

This program is responsible for the total operational support of the water distribution, wastewater collection and transmission and reclaimed water distribution systems including lift station operations and maintenance.

GOALS

1. To ensure efficient distribution of potable water for domestic and commercial use. Complete the decommission of old galvanized water lines in the downtown area.
2. To ensure the integrity of the fire hydrant system and adequate water supply and pressures for fire flow purposes. Perform annual testing of all fire hydrants in the City.
3. To provide an effective preventive maintenance program for the wastewater collection and transmission system including lift stations. Install additional lift station control probes (replace older float systems).
4. Continuous improvements to our new GIS based work order system to provide enhanced maintenance and repair efficiency.
5. Prepare a Class A CDL training initiative for Public Works staff.
6. Prepare a heavy equipment operator training initiative for Public Works staff.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST

UTILITY BILLING

PROGRAM SUMMARY

The Utility Billing Division ensures that utility customers are billed in accordance with the rate structure established by City Commission and are treated equitably in compliance with ordinances and policies. Utility Billing performs a wide variety of functions including billing and collection; customer requests for connects, disconnects, and transfers of service; nonpayment issues; and assisting customers with questions regarding billing and services.

GOALS

1. To provide friendly customer service.
2. To be efficient and accurate in meter reading and the utility billing process.
3. To provide accurate and clear utility bills.
4. To increase electronic/paperless billing and automatic draft payments.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST

**City of Lake Mary, Florida
Fiscal Year 2026 Capital Budget Proposal**

Dep/Div Number: 434

Project Title: WTP Production Well LM-7

Dep/Div Name: Water Treatment

Justification/Description/Location:

The City's water production well no. LM-5 is no longer in service due to water quality issues. LM-5 has been replaced with our existing reserve well (well no. LM-3R). This project is to drill a new reserve well that could be equipped with a well pump and raw water line to the WTP if/when there is a future need.

City of Lake Mary, Florida
Fiscal Year 2026 Capital Budget Proposal
Dep/Div Number: 434
Project Title: WTP Electrical Upgrades
Dep/Div Name: Water Treatment

Justification/Description/Location:

The original portion of the water treatment system includes the raw water wells and treatment plant which houses the high service pumps that pressurize the entire City. The electrical components that supply power to these pumps and wells have surpassed the useful life of the equipment. Components have begun to fail and are no longer serviceable nor permitted by current codes. This project will be to replace all electrical components of the original water treatment plant and raw water wells with components that meet current standards.

Dep/Div Number: 435

Project Title: Lift Station Control Panel Upgrade

Dep/Div Name: Water/Wastewater

Justification/Description/Location:

The City owns and maintains eighteen (18) wastewater lift stations. The median age of the lift stations is thirty (30) years. After performing an electrical panel condition assessment of each lift station in FY 2020 it was determined that thirteen (13) of the stations' electrical control panels should be replaced within the next five (5) years. The remaining four (4) panels were contracted to be replaced in FY 2024, and this project is ongoing. As control panels are a very long lead-time item, the design and bidding of each year's project begins a year in advance. The lift stations in progress are Eagle Claw, Manderley, Tuscany, and Woodbridge.

Dep/Div Number: 435

Project Title: Lift Station Emergency Generator

Dep/Div Name: Water/Wastewater

Justification/Description/Location:

The City owns and maintains eighteen (18) wastewater lift stations. Currently seven (7) of the lift stations are equipped with permanent emergency generators which would operate the lift station during a power outage. Public Works has seven (7) portable generators as well. This project is to purchase and install a permanent emergency generator at the new lift station in Wellness and Technology Park on New Technology Blvd. This lift station serves the Helix apartment complex, and will also serve Sonata Assisted Living, Home2 Suites Hotel, New Century Townhomes, Lake Mary One office building, and other future developments within the park. Emergency generators ensure continuity of service during power outages.

Project Title: Sewer and Reuse Implementation

Dep/Div Name: Water/Wastewater

Justification/Description/Location:

To address environmental concerns related to septic systems and to improve the quality of life for all residents. Properties on septic adjacent to existing sewer will be provided a sewer stub out. In conjunction with providing central sewer, reclaimed water will also be provided in areas where new sewer service is constructed.

Dep/Div Number: 435
Project Title: Septic to Sewer Conversion
Dep/Div Name: Water/Wastewater

Justification/Description/Location:

Currently approximately 50% of the parcels in the City are connected to central sewer. To address environmental concerns related to septic systems and to improve the quality of life for all residents, specific areas will be upgraded to central sewer. In conjunction with providing central sewer, reclaimed water will also be provided in areas where new sewer service is constructed.

City of Lake Mary, Florida
Fiscal Year 2026 Capital Budget Proposal

Dep/Div Number: 435

Project Title: Water Service Line Replacements

Dep/Div Name: Water/Wastewater

Justification/Description/Location:

Before 1980, homes were connected to the City's water distribution system with water laterals made of copper and galvanized pipe both using lead soldering. In the 1980s and early 1990s homes were connected to with water laterals made from low density black polyethylene tubing. At the respective time each material was accepted as an industry standard. In the 1990s the standard changed to high density polyethylene (HDPE) tubing. Approximately 1,000 homes (16%) are connected to the City's water system via the old lines. These old laterals could pose a health risk and are beginning to fail, causing water leaks at the rate of approximately five (5) per month. Because of the health risk and before the rate of failure increases, we plan to replace the older laterals with new HDPE tubing, prioritizing the copper and galvanized piping.

STORMWATER UTILITY

PROGRAM SUMMARY

This program is responsible for implementing National Pollutant Discharge Elimination System (NPDES) mandatory requirements for protecting surface water quality and flooding due to any storm event, creating and maintaining GIS stormwater map books, Community Rating System recertification, providing stormwater construction site inspections and maintaining stormwater drainage systems.

GOALS

1. To operate and maintain all Stormwater (SW) collection systems and structural controls.
2. To control SW discharges from new development and construction activities.
3. To keep public streets and roadways clean in order to minimize pollutant migration in SW collection system.
4. To control pollutants from application of pesticides, herbicides, and fertilizer.
5. To inspect high risk industries, investigate illicit connections/illicit discharges (ICID), etc. in order to prevent SW pollution.
6. To provide training for spill prevention, ICID, erosion and sediment control, public education and awareness to prevent SW pollution.
7. To ensure compliance with National Pollutant Discharge Elimination System (NPDES) requirements.
8. To enhance proper SW drainage through the construction and maintenance of inlets, culverts, manholes, curbs, piping, and swales.

PERFORMANCE MEASURES	2023	2024	% Change	2025 EST
Number of ICID investigated and corrected	-	-	0%	-
Number of training sessions on spill prevention, ICID and public education held	39	36	-8%	39

VEHICLE MAINTENANCE

PROGRAM SUMMARY

This program provides both preventive and unscheduled maintenance to all City vehicles and most equipment including automobiles, trucks, heavy and light mechanized equipment.

GOALS

1. To ensure all City owned vehicles and equipment are maintained in a safe and efficient manner.
2. To provide accountability for all expenditures of man-hours, inventory and other items used in maintaining the City's mechanized assets.
3. To schedule and ensure all vehicles/equipment receive preventive maintenance and service.
4. To perform emergency unscheduled repairs/maintenance on a priority basis.

City of Lake Mary, Florida
Fiscal Year 2026 Capital Budget Proposal

Dep/Div Number: 490

Project Title: Fleet Services Expansion

Dep/Div Name: Vehicle Maintenance

Justification/Description/Location:

As the capabilities of our Fleet Maintenance Division expand, additional tools and specialty equipment is needed to service more vehicles in house. Currently our fire engines are serviced via a vendor specializing in emergency vehicles. By purchasing specific equipment, we can bring this service in house and provide a level of quality control. In addition to servicing fire engines, the equipment will allow us to service our other larger vehicles, such as the dump truck and Vactor. We will also bring in house A/C repairs. Currently we have to send out for repair of any A/C issue, causing higher costs and lost time due to a vehicle being out of service for extended periods. The equipment proposed to be purchased is as follows: Large equipment tire machine; Scanner; A/C Machine; Heavy Equipment Mobile Lifts, etc.

CATEGORIES OF REVENUES & EXPENDITURES

Revenues are divided into the following categories:

A. Taxes – Specific types of taxes levied by local government include ad valorem (real and personal property), and sales and use taxes (imposed upon sale or consumption of goods and services levied locally). Property tax revenue estimates are based on certified property valuations. Sales and use tax revenues are based on history and state provided estimates. Franchise fees are also accounted for in this category. These fees may be levied on a corporation or individual by the local government in return for granting a privilege or permitting the use of public property subject to regulations. The state collects fees imposed under the Telecommunications Act and disperses them to participating municipalities. The City also collects electrical and solid waste franchise fees. Revenue estimates are based on revenue history.

B. Licenses and Permits – The revenues are derived from the issuance of local licenses and permits. Within this category are business tax receipts, building permits and any other licenses and permits (e.g., building, roofing, plumbing, and mechanical). Revenue estimates are based on prior year collections.

C. Intergovernmental Revenues – Included are revenues received from federal, state and other local government sources in the form of grants, shared revenues and payments in lieu of taxes. This would include local option gas tax, state revenue sharing, mobile home licenses, alcoholic beverage licenses, and local government half-cent sales tax.

D. Charges for Services – These revenues include all charges for current services such as zoning fees, police services, rescue transport fees, Community/Events Center rentals, recreation fees, and park fees. Revenue estimates are based on revenue history.

E. Fines and Forfeitures – Fees collected by the State Court System. These fees include revenues received from fines and penalties, imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations, and for neglect of official duty. Forfeits include revenues resulting from confiscation of deposits or bonds held as performance guarantees and proceeds from the sale of contraband property seized by law enforcement agencies. Revenue estimates are based on revenue history.

F. Miscellaneous Revenues – Revenues other than those received from standard sources such as taxes, licenses and permits, grants, and user fees.

G. Internal Service Charges – Revenue to fund the program is achieved by billing other departments for services provided. Revenues are determined by agency requirements, which are determined in the budget review process. An example of internal service charges would be the vehicle replacement fund. The use of an internal service fund enhances cost accounting and accountability for this in-house service.

Expenditures are divided into the following categories:

A. General Government – Cost of services provided by the City for the benefit of the public and the governmental body as a whole, including; legislative, financial/administrative, legal, comprehensive planning, judicial, court services and other general governmental services.

CATEGORIES OF REVENUES & EXPENDITURES

- B. Public Safety** – Cost of services provided by the City for the safety and security of the public, including; law enforcement, fire control, protective inspections, emergency and disaster relief, and other public safety services.
- C. Physical Environment** – Cost of services provided for the primary purpose of achieving a satisfactory living environment by controlling and utilizing elements of the environment including; solid waste, water and sewer conservation and resource management, and other physical environmental services.
- D. Culture and Recreation** – Costs to provide City residents opportunities and facilities for cultural, recreational and educational programs, including parks and recreation.

Expenditures are also divided into the following account types:

- A. Personnel** – Expense for salaries, overtime, and related employee benefits provided for all persons employed whether on full-time, temporary, or seasonal basis. Employee benefits include employer contributions to a retirement system, social security, insurance, sick leave, educational incentives, Worker's Compensation, and Unemployment Compensation Insurance.
- B. Operating** – Includes expenditures for goods and services, which are not identified as personnel services or capital outlays.
- C. Capital Outlay** – The acquisition of, or addition to, land, buildings, infrastructure, equipment, and vehicles.
- D. Debt Service** – Outlays for debt service purposes.
- E. Other Uses** – Expenses for intragovernmental transfers, contingency, and reserves.

GLOSSARY

-A-

Account – An accounting concept used to capture the economic essence of an exchange or exchange-like transaction. Accounts are used to classify and group similar transactions. Account types include revenue, expenditure, asset, liability and equity.

Accrual Basis – Income is realized in the accounting period in which it is earned, regardless of when the cash from these revenues are received. Expenses are recorded, as they are owed, instead of when they are paid.

Activity – A specific and distinguishable unit of work or service performed.

Actual vs. Budgeted – Difference between the amounts projected (budgeted) in revenues or expenditures at the beginning of the fiscal year and the actual receipts or expenses which are incurred by the end of the fiscal year.

Ad Valorem – A tax levied in proportion to the value of the property against which it is levied. It is a tax based upon the assessed value of real estate or personal property.

Adopted Budget – The budget, as approved by the City Commissioners, after two (2) public hearings prior to the beginning of each fiscal year.

Adjusted Final Millage – Under Florida law, the actual tax rate levied by a local government when tax bills are issued. The rate is adjusted for corrected errors in property assessments for tax purposes and for changes in assessments made by property appraisal adjustment boards in each county. Usually, such changes are very slight and the adjusted millage sometimes

does not change from the levy set by the taxing agency.

Aggregate Millage Rate – The sum of all property tax levies imposed by the governing body of a city and county. State law limits the aggregate rate for a county or municipality to \$10 per \$1,000 worth of assessed taxable value.

Amendment – A change to an adopted budget, which may increase or decrease a fund total. The City Commission must approve the change.

Amortization – The reduction of debt through regular payments of principal and interest sufficient to retire the debt instrument at a predetermined date known as maturity.

Appropriation – A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and as to the time when it may be expended.

Assessment – The value for tax purposes determined by the property appraiser for a given piece of real or personal property.

Assets – Property that has monetary value.

Audit – A review of the City's accounting system to ensure that financial records are accurate and in compliance with all legal requirements for handling of public funds, including state law and City ordinance. It is a test of management's internal accounting controls.

-B-

Beginning Balance – The residual non-restricted funds brought forward from the previous fiscal year (ending balance).

GLOSSARY

Bond – A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date(s)) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds typically are used for long-term debt.

Budget (Operating) – A plan of financial operation embodying an estimate of proposed expenditures for a given period (typically a fiscal year) and the proposed means of financing them (revenue estimates). The term is sometimes used to denote the officially approved expenditure ceiling under which a government and its departments operate.

Budget Calendar – The schedule of key dates or milestones which a government follows in the preparation and adoption of the budget.

Budget Document – The official written statement prepared by the finance department and supporting staff which presents the proposed budget to the legislative body.

Budget Hearing – A public hearing conducted by the City Commission to consider and adopt the annual budget.

Budget Message – A general discussion of the proposed budget presented in writing as a part of or supplement to the budget document as presented in writing by the City Manager to the City Commission. The budget message explains principal budget issues against the background of financial experience in recent years.

Budgetary Control – The management of a government or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitation of

available appropriations and available revenues.

Budgetary Expenditures – Decreases in net assets. In contrast to conventional expenditures, budgetary expenditures exclude amounts represented by noncurrent liabilities.

-C-

Capital Assets – Assets of significant value and having a useful life of more than one (1) year. Capital assets are also called fixed assets.

Capital Budget – A plan of proposed capital expenditures and the means of financing them, usually based on the first year of the capital improvement program (CIP) and typically enacted as part of the complete annual budget which includes both operating and capital outlays.

Capital Expenditures – Expenditures to acquire or significantly improve assets such as land, buildings, equipment, furnishings, fixtures, or vehicles with a unit cost in excess of \$5,000 and a useful life of one (1) or more years. Items with a unit cost of less than \$5,000 is expensed.

Capital Improvement Program (CIP) – A plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each capital project, identifying the expected beginning and ending date for each project, the amount to be expended in each year, and the method of financing those expenditures.

Capital Outlay – The cost of acquiring or improving land, buildings, equipment, furnishings, etc. with a unit cost in excess of \$5,000 and a useful life of one (1) or more years. (See Capital Improvement)

GLOSSARY

Capital Projects – Projects that purchase or construct capital assets. Typically, a capital project encompasses a purchase of land and/or the construction of a building or facility.

City Commission – The elected policy setting body for the City.

Constitutional Officers – The Property Appraiser, Tax Collector, Supervisor of Elections, Sheriff and Clerk of Court are all independently elected County officials as per State Constitution.

Contingency Funds – Funds that are not earmarked for a specific purpose and may be used for emergency expenses or to make up cost overruns during a budget year.

Contractual Services – Services rendered to a government by private firms, individuals, or other governmental agencies. Examples include maintenance agreements, courier service, non-professional consulting services, and temporary help.

Cost – The amount of money or other consideration exchanged for property, services, or an expense.

Current – A term denoting the operation of the present fiscal period, as opposed to past or future periods. It often is used to refer to items likely to be used up or converted into cash within one (1) year.

-D-

Debt Service – The expense of retiring debts such as loans and bond issues, it includes principal and interest payments, and administrative costs for paying agents, registrars, and escrow agents.

Debt Service Reserve – A fund used to pay debt services of revenue bonds if the sources of the pledged revenues do not generate sufficient funds to satisfy the debt service requirements. It is funded in whole or in part from the proceeds of the bonds or is allowed to gradually accumulate over a period of years through required payments from the pledged revenues.

Department – A basic organizational unit which is functionally unique in its service delivery established to efficiently meet the needs of the citizens.

Depreciation – Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence. That portion of the cost of a capital asset which is charged as an expense during a particular period.

-E-

Encumbrance – A commitment of funds against an appropriation, it may be in the form of a purchase order or contract; until such time as the goods or services are received. The commitment is referred to as an encumbrance.

Enterprise Fund – A fund established to account for operations that are financed and operated in a manner similar to private business enterprises. The intent is that the full cost of providing the goods or services be financed through charges and fees, thus removing the expense from the tax rate.

Expenditures – Where accounts are kept on the accrual or modified accrual basis of accounting, the cost of goods received or services rendered, whether cash payments have been made or not. Where accounts are kept on a cash basis, expenditures are

GLOSSARY

recognized only when the cash payments for the above purposes are made.

Expenses – Decreases in net total assets. Expenses represent the total cost of operations during a period, regardless of the timing of related expenses.

-F-

Fees – Charges for services that are based upon the cost of providing the service.

Final Millage – The tax rate adopted in the final public hearing of a taxing authority.

Fiscal Year – The twelve-month financial period used by the City that begins October 1 and ends September 30 of the following calendar year. The year is represented by the date on which it ends. Example: October 1, 2020 – September 30, 2021, which would be fiscal year 2021.

Forfeiture Funds – Any state or local law enforcement agency that directly participates in an investigation or prosecution that results in a federal forfeiture by a participating agency may request an equitable share of the net proceeds of the forfeiture.

Full-Time Equivalent (FTE) – A measure of effective authorized position, indicating the percentage of time a position or group of positions is funded. It is calculated by equating 2,080 hours per year with the full-time equivalent of one position; thus one position would have an FTE of 1.0, or 100 percent.

Function – A major class or grouping of tasks directed toward a common goal, such as improvements to public safety, improvement of the physical environment, etc.

Fund – A set of interrelated accounts that records assets and liabilities related to a specific purpose. In addition, a sum of money available for specified purposes.

Fund Balance – The amount available within a fund at the close of the fiscal year that can be carried over as a revenue for the upcoming fiscal year.

-G-

General Fund – The governmental accounting fund supported by Ad Valorem (Property) taxes, licenses and permits, service charges, and other general revenues to provide for operating services.

Goal – A statement that describes the purpose toward which an endeavor is directed, such as a target or target area.

Grant – A contribution of assets by one (1) government unit or other organization, to another. Typically, these contributions are made to local governments. Grants are usually made for specified purposes.

-I-

Impact Fees – Monetary payments made by builders or developers to jurisdictions in order to defray the public costs of providing infrastructure services to the development.

Indirect Cost – A cost necessary for the functioning of the organization as a whole, but which cannot be directly assigned to one (1) service.

Infrastructure – Facilities on which the continuance and growth of the community depend upon such as roads, water, sewer, public buildings, and parks.

GLOSSARY

Interest – A charge for borrowed money, generally a percentage of the amount borrowed.

Interfund Transfer – Transfers among funds. These are utilized to track items for management purposes. They represent a “double counting” and, therefore, are subtracting when computing a “net” operating budget.

Intergovernmental Revenue – Revenue collected by one (1) government and distributed (usually through some predetermined formula) to another level of government(s). For example: funds received from federal, state and other local government sources in the form of grants, state shared revenues, entitlements, or payments in lieu of taxes.

Interlocal Agreement – A written agreement between the City and other units of government to share similar services, projects, emergency assistance, support, funding, etc., to the mutual benefit of all parties.

Internal Control – A plan of organization for purchasing, accounting, and other financial activities which, among other things, provide that:

- The duties of employees are subdivided so that no single employee handles a financial action from the beginning to end,
- Proper authorizations from specific responsible officials are obtained before key steps in the processing of a transaction are completed, and
- Records and procedures are arranged appropriately to facilitate effective control.

Internal Service Fund – A fund used to account for the financing of goods and services provided by one (1) department to other departments on a reimbursement basis.

Investments – Securities purchased and held for the production of income in the form of interest and dividends.

-L-

Levy – The total amount of taxes, special assessments, or charges imposed by a government.

Liability – Debt or other legal obligations, arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date. Note: The term does not include encumbrances.

Line Item Budget – A budget that lists each expenditure category separately, such as salaries, professional services, grounds maintenance, office supplies, uniforms, machinery and equipment, etc. along with the dollar amount budgeted for each specific category.

Local Option Gas Tax – Revenues resulting from the additional 1/2 cent local tax on gasoline sales in Seminole County. These collected revenues are shared between the County and the municipalities in Seminole County.

Long-Term Debt – Debt with maturity of more than one (1) year after the date of issuance.

-M-

Mandate – Any responsibility, action, or procedure that is imposed by one (1) sphere of government on another through

GLOSSARY

constitutional, legislative, administrative, executive, or judicial action, as a direct order or that is required as a condition of aid.

Maintenance – The act of keeping capital assets in a state of good repair. It includes preventative maintenance, normal periodic repairs, replacement of parts or structural components, and other activities needed to maintain the asset so that it continues to provide normal services and achieve its optimal life.

Maturities – The dates on which the principal or stated values of investments or debt obligations mature.

Mill – 1/1000 of one (1) dollar; used in computing taxes by multiplying the rate times the taxable value divided by 1,000. Example: Millage rate of 4.198 per thousand, taxable value of $\$50,000/\$1,000 = \$50 \times 4.198 = \209.90 .

Millage Rate – A rate expressed in thousands. As used with ad valorem (property) taxes, the rate expresses the amount of tax per one thousand dollars of taxable values.

Mission Statement – A written description declaring the purpose of an organizational unit (department or agency) and its function (what the department or agency does).

Modified Accrual Basis – The basis of accounting under which expenditures other than accrued interest on general long-term debt are recorded at the time liabilities are incurred and revenues are recorded when received in cash except for material and/or available revenues which should be accrued to reflect properly the taxes levied and revenue earned.

-O-

Object Code – An account to which an expenditure is recorded in order to accumulate and categorize the various types of payments that are made by government. These are normally grouped into personal services, operating, capital and other categories for budgetary analysis and financial reporting purposes. Certain object codes are mandated by the State of Florida Uniform Accounting System.

Objective – Something toward which effort is directed. A strategic position to be attained or purpose to be achieved.

Operating Expenditures – Expenditures of day-to-day operations, such as office supplies, maintenance of equipment, and travel; they exclude capital costs. Also known as operating and maintenance costs.

Operating Revenues – Funds received as income to pay for ongoing operations. The revenues include items such as taxes and fees from services. The operating revenues are used to pay for day-to-day services.

Operating Fund – Major portion of a budget. It details the expenses of day-to-day operations.

Other Expenditures – Includes items of a non-expense or expenditure nature such as reserves, transfers to other funds and debt service.

-P-

Performance Measures – A goal-driven estimation of past, present, and future success of the delivery of a given service, program, or function. Different measures can be used to provide specific information about

GLOSSARY

the program and activities undertaken by government.

Personnel Services – Costs related to compensating employees including salaries, wages, taxes, and benefits costs.

Pledged Reserves – That portion of a fund's assets that are set aside for guaranteeing payment of bonded debt.

Principal – An amount of money invested, the face amount of a bond, or the balance owed on a debt, distinct from the finance charges paid to borrower.

Property Appraiser – Elected county official responsible for setting property valuations for tax purposes and preparing the annual tax roll.

Property Tax – A tax levied on the assessed value of real property. Also referred to as Ad Valorem Taxes.

Proposed Millage – The tax rate certified to a property appraiser by each taxing agency within a county. Proposed millage is to be sent to an appraiser within thirty (30) days after a county's tax roll is certified by the State Department of Revenue and is listed on notices sent to property owners. No taxing agency may approve a levy that is larger than the one it originally proposed.

Purchase order – A document issued to authorize a vendor or vendors to deliver specified merchandise or render a specified service for a stated estimated price. Outstanding purchase orders are called encumbrances.

-R-

Real Property – Land, buildings and other structures attached to it that are taxable under state law.

Reserve – An account used to indicate that a portion of fund equity is legally restricted for a specific purpose or not available for appropriation and subsequent spending.

Revenue – Funds that a government receives as income. These receipts may include tax payments, interest earnings, service charges, grants, and intergovernmental payments. The term designates an increase to a fund's assets which does not increase a liability (e.g., proceeds from a loan), does not represent a repayment of an expenditure already made, does not represent a cancellation of certain liabilities, and does not represent an increase in contributed capital.

Revenue Estimate – A formal estimate of how much revenue will be earned from a specific revenue source for some future period, typically a future fiscal year.

Revenue Sharing – Federal and state funds allocated to local governments.

Rolled Back Rate – That millage rate which, when multiplied times the tax roll, would yield the same amount of revenue for the taxing authority as was yielded by the millage rate levied in the previous year. In normal circumstances, as the tax roll rises by virtue of reassessment, the rolled back rate will be slightly lower than the previous year's millage levy. This reduced rate multiplied by the value of the new construction/annexation added to the roll during the year provides the only source of additional tax revenue if the rolled back rate is levied.

GLOSSARY

-S-

Sales Tax – This is a 6% tax collected by the state on taxable sales within the county. Collections are allocated to the county and cities within the county through a formula based on population.

Source of Revenue – The point of origin of a particular revenue or group of revenues.

Special Assessment – A compulsory levy imposed on certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

Special Revenue Funds – A governmental accounting fund used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

Street Lighting District – A revenue source derived from funds received by the City from residents of a special district established to finance street lighting.

-T-

Tax Base – The total property valuations on which each taxing agency levies its tax rate.

Tax Roll – The certification of assessed/taxable values prepared by the Property Appraiser and presented to the taxing authority by July 1 (or later if an extension is granted by the State of Florida) of each year.

Tax Year – A calendar year. The tax roll valued as of January 1 is used in figuring the tax revenue for the annual budget. The tax bills to be mailed by November 1 represent the property taxes due for the current calendar year.

Tentative Budget – The preliminary budget approved by the City Commission for the purpose of establishing a millage rate to be mailed to property owners prior to final adoption of a millage rate and budget.

Tentative Millage – The tax rate adopted in the first public budget hearing of a taxing agency. Under state law, the agency may reduce, but not increase, the tentative millage during the second budget hearing.

-U-

Uniform Accounting System – The chart of accounts prescribed by the Office of the State Comptroller designed to standardize financial information to facilitate comparison and evaluation of reports.

Unit Cost – The cost required to produce a specific product or unit of service (e.g., the cost to purify one thousand gallons of water).

User (Fees) Charges – The payment of a fee for direct receipt of a public service by those individuals benefiting from the service.

-V-

Valuation – The dollar value of property assigned by the County Property Appraiser.

Vision – A statement of an organization's strategic plan for the future.

-Y-

Yield – The rate earned on an investment based on the price paid for the investment, the interest earned during the period held, and the selling price or redemption value of the investment.
